# Cedar Level Road Improvements *City of Hopewell*

## Why are we doing this project?

VDOT proposes a project to widen Cedar Level Road in the City of Hopewell from two to three lanes, with the addition of turn lanes, bike lanes and sidewalks. The improvements will provide added safety and mobility of multi-modal transportation in the area.

## What is the location of the project?

The project is located between Cobblestone Parkway and Miles Avenue in the City of Hopewell.

## When will the project be constructed?

Following final design and right of way acquisition, construction is expected to begin in late 2018 and will last approximately 18 months.

## How much will the project cost?

The total project cost estimate is \$10.6 million. This includes the estimated price for design, right of way acquisition and construction.
