

# Route 360 Widening & Bell Creek Road Intersection Relocation

Lee Davis High School  
7052 Mechanicsville Turnpike, Mechanicsville, VA 23111

*Hanover County*

## **What will the construction include?**

The two projects will widen Mechanicsville Turnpike (Route 360) from 6 to 8 lanes from Interstate 295 to Colony Drive, and from 4 to 6 lanes from Colony Drive to Wynbrook Lane. The Bell Creek Road intersection with Mechanicsville Turnpike will also be relocated about 650 feet east.

## **Project schedule**

Construction is expected to begin in May 2015 and end summer 2017.

## **How much will the project cost to construct?**

The widening project will cost \$8.6 million and the intersection relocation project will cost \$3.5 million. The total cost of construction is about \$12.1 million.
