Route 619 (Dotson Ridge Road)  
Smyth County  
Bridge Rehabilitation Project

Find out about the proposed project to rehabilitate the Route 619 (Dotson Ridge Road) bridge over North Fork Holston River in Smyth County. The project includes replacement of the superstructure, modification of the bridge abutments and work on the approaches to the bridge. The rehabilitation will require the closure of the bridge for approximately one month in summer 2016.

Review the project information at VDOT’s Bristol District office located at 870 Bonham Road in Bristol, Telephone 276-669-6151, 1-800-367-7623 or TTY/TDD 711. Please call ahead to assure the appropriate personnel are available to answer your questions.

If your concerns cannot be satisfied, VDOT is willing to hold a public hearing. You may request that a public hearing be held by sending a written request on or before April 23, 2015, to Ms. Lei Zheng, Project Manager, 870 Bonham Road, Bristol, VA 24201. If a request for a public hearing is received, notice of date, time and place of the hearing will be posted.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is provided in the environmental documentation.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you have questions or concerns about your civil rights in regards to this project or special assistance for persons with disabilities or limited English proficiency, contact the project manager listed above.
