Location Public Hearing

Wednesday, June 24, 2015, 5-7 p.m.
James Monroe High School
2300 Washington Avenue
Fredericksburg, VA 22401

Find out about the results of the environmental study for the proposed Rappahannock River Crossing project on Interstate 95. The crossing would add collector-distributor lanes parallel to the general purpose lanes of I-95 between Route 17 in Stafford and Route 3 in Fredericksburg. The public hearing will be held in an open house format. No formal presentation will be given.

Stop by and review the Draft Environmental Assessment at the hearing, on or after June 9, at VDOT’s Fredericksburg District Office located at 87 Deacon Road in Stafford County. Please call 540-899-4288 to ensure the availability of the appropriate personnel to answer your questions.

In compliance with Section 106 of the National Historic Preservation Act and 36 CFR Part 800, information concerning the potential effects of the proposed project on historic properties is provided in the Environmental Assessment. Additionally, public comment is invited on proposed de minimis findings for impacts of the project on Section 4(f) resources, which include parks, trails and historic properties under provisions of 23 CFR 774 (Section 4(f) of the Department of Transportation Act).

Give your written or oral comments at the hearing or submit them by July 9, 2015 to Ms. Heather Williams, Project Manager, 1401 East Broad Street, Richmond, VA 23219. You may also email your comments to heather.williams@vdot.virginia.gov. Please reference “Rappahannock River Crossing Public Comment” in the email subject line.
