Find out about the Martinsville Southern Connector Study. The study will evaluate potential improvements along the U.S. Route 220 corridor from the North Carolina state line to the U.S. Route 58/U.S. 220 Bypass. The purpose of the meeting is to introduce preliminary design options and gather public comments on which options should advance for detailed study. Information about the study is available at www.virginiadot.org/martinsvilleconnector.

The meeting will be held in an open-house format beginning at 6 p.m. VDOT representatives will be present to discuss the study and answer questions.

Give your written or oral comments at the meeting or submit them by **February 2, 2019**, to Scott Smizik, Project Manager, Virginia Department of Transportation, 1401 East Broad Street, Richmond, Virginia 23219. You may also email your comments to Martinsville220@VDOT.Virginia.gov.
