Route 210 (Old Town Connector)  
Amherst County  
Willingness to Hold Public Hearing

Find out about proposed changes in limited access control on Route 210 (Old Town Connector) in Amherst County. The proposed change would facilitate the transfer of surplus right of way to the adjoining property owner and to adjust the existing break in limited access for South Riverview Road.

The proposed Route 210 project length is 0.11 mile from the Intersection of Route 210 and South Riverview Road to 0.11 miles east of the Intersection of Route 210 and South Riverview Road.

Review the project information and environmental documentation at VDOT’s Lynchburg District Office located at 4219 Campbell Ave. in Lynchburg, 434-947-6559 or TTY/TDD 711. Please call ahead to ensure the availability of appropriate personnel to answer your questions.

If your concerns cannot be satisfied, VDOT is willing to hold a public hearing. You may request that a public hearing be held by sending a written request to Mr. Jeff Kessler, Project Manager, Virginia Department of Transportation, 4219 Campbell Avenue, Lynchburg, VA 24501 on or prior to March 20, 2015. If a request for a public hearing is received, notice of date, time and place of the hearing will be posted.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is available for review at VDOT’s Lynchburg District Office.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact the project manager listed above.
