Find out about the proposed project to improve safety at the intersection of Route 522 (Zachary Taylor Highway) and Route 208 (New Bridge Road) in Louisa County. The project involves the construction of an offset right-turn lane on Route 522 and the realignment of the right-turn lane on Route 208.

Review the proposed project plans and the National Environmental Policy Act documentation, in the form of a programmatic categorical exclusion, at the public hearing or at VDOT’s Culpeper District Office located at 1601 Orange Road, Culpeper, VA 22701, 540-829-7500 or 1-800-367-7623. Please call ahead to ensure the availability of personnel to answer your questions.

Property impact information and tentative construction schedules are available for your review at the above address and will be available at the public hearing.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed or eligible for listing in the National Register of Historic Places is provided in the environmental documentation.

Give your written or oral comments at the hearing or submit them by July 3, 2015, to Robert Strevell, Project Manager, Virginia Department of Transportation, 1601 Orange Road, Culpeper, VA 22701. You may also email comments to Robert.Strevell@vdot.virginia.gov. Please reference “Rt. 522/Rt. 208 Project Comment” in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact the project manager at the telephone number listed above.
