Route 460 East  
(Richmond Highway)  
Campbell County  
Willingness to Hold Public Hearing

Find out about a proposed project to construct an offset right turn lane at Route 460 east and Route 656 (Doss Road) near the community of Concord in Campbell County. The purpose of the project is to improve sight distance for vehicles entering Route 460 from the Route 656 connection.

The proposed Route 460 project length is 0.1250 miles, beginning 0.115 miles west of Route 656 and ending 0.010 miles east of Route 656. During construction, the existing roadways will remain open to traffic.

Review the project information and environmental document in the form of a Programmatic Categorical Exclusion at VDOT’s Lynchburg District Office located at 4219 Campbell Ave. in Lynchburg, 434-947-6559 or TTY/TDD 711. Please call ahead to ensure the availability of appropriate personnel to answer your questions.

If your concerns cannot be satisfied, VDOT is willing to hold a public hearing. You may request that a public hearing be held by sending a written request to Ms. Raina Rosado, P.E., Project Manager, Virginia Department of Transportation, 4219 Campbell Avenue, Lynchburg, VA 24501 on or prior to March 7, 2015. If a request for a public hearing is received, notice of date, time and place of the hearing will be posted.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is provided in the environmental documentation.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact the project manager listed above.
