

2019 APPLICANT WORKSHOPS

The “Applicant Workshop” is strongly recommended for localities and other project sponsors that are interested in applying for FY 2021/22 federal Transportation Alternatives (TA) funding. At these workshops we will review the TA program eligibility, application process, and scoring criteria. The workshops last about two / two and one half hours and are free of charge. **This year’s pre- application deadline is July 1 with a final application deadline of October 1, 2019 – note that submission of a pre-application is MANDATORY to be considered for funding.**
