

## Route 91 bridge replacement (Washington County) **Willingness Advertisement**

**Find out** about the proposed replacement of the Route 91 (Mountain City Highway) bridge over Laurel Creek near the Town of Damascus in Washington County. During construction, which is anticipated to take 15 months starting in January 2018, Route 1212 (Orchard Hill Road) will be closed at its intersection with Route 91 due to the route's proximity to the bridge.

A trail spur will also be constructed underneath the Route 91 bridge, enhancing safety by providing Virginia Creeper Trail traffic an alternative to crossing the highway. The Virginia Creeper Trail will not be closed during construction.
