Come see the proposed design for the I-95 Northbound Rappahannock River Crossing. The new northbound crossing will add additional lanes parallel to the general purpose lanes on I-95 from just south of Exit 130/Route 3 in Fredericksburg to just north of Exit 133/Route 17 in Stafford.

VDOT staff will be available throughout the meeting to answer questions.

A brief presentation will be given at 5:30 p.m.

Review the Environmental Assessment for the proposed project at the meeting or at VDOT's Fredericksburg District Office located at 87 Deacon Road in Stafford County. Please call 540-899-4288 to ensure the availability of the appropriate personnel to answer your questions. You may also review the documents on the project website at www.improve95.org. Click on "About the Projects" and find the project under "Northbound Rappahannock River Crossing".

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on historic properties is provided in the Environmental Assessment.

Give your written or oral comments at the meeting or submit them by 5 p.m. Friday, February 15, 2019 to Bill Arel, Megaprojects Engineer, 87 Deacon Road, Fredericksburg, VA 22405. You may also email your comments to William.Arel@VDOT.Virginia.gov. Please reference 'I-95 NB Rappahannock River Crossing Public Comment' in the email subject line.
