Route 611 (N. Fork River Road)  
Washington County  
Bridge Rehabilitation Project

Find out about the proposed project to rehabilitate the Route 611 (North Fork River Road) bridge over Tumbling Creek in Washington County, located at the intersection of Route 747. The project includes replacement of the superstructure and two timber piers, as well as modifying the bridge abutments. The project will require the bridge to be closed for approximately four months.

Review the project information at VDOT’s Bristol District office located at 870 Bonham Road in Bristol, Telephone 276-669-6151, 1-800-367-7623 or TTY/TDD 711. Please call ahead to assure the appropriate personnel are available to answer your questions.

If your concerns cannot be satisfied, VDOT is willing to hold a public hearing. You may request that a public hearing be held by sending a written request on or before March 7, 2015, to Mr. Kenneth Lee Coleman, Project Manager, 870 Bonham Road, Bristol, VA 24201. If a request for a public hearing is received, notice of date, time and place of the hearing will be posted.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is provided in the environmental documentation.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you have questions or concerns about your civil rights in regards to this project or special assistance for persons with disabilities or limited English proficiency, contact the project manager listed above.
