Find out about plans to construct a bicycle/pedestrian facility in the vicinity of Route 123 and I-495 (Capital Beltway) in Tysons. This project aims to improve access and safety to pedestrian accommodations.

Pursuant to the National Environmental Policy Act (NEPA) and 23 CFR 771, the I-495 Beltway HOT Lanes Environmental Impact Statement (EIS)/Record of Decision (ROD) was approved by the Federal Highway Administration (FHWA) on June 29, 2006. In accordance with 23 CFR 771.130(c), an Environmental Studies Memorandum is being prepared for the proposed bicycle and pedestrian improvements to ensure consistency with the findings of the 2006 FEIS/ROD.

Stop by between 7 - 9 p.m. to learn more about the project and discuss your questions with VDOT staff. A short presentation will begin at 7:30 p.m.

Review design plans to construct a 10-foot shared-use path along Old Meadow Road and a pedestrian-bicycle bridge over I-495. Project information is available on the VDOT website (www.virginiadot.org/projects), at the design public hearing, or during business hours at VDOT's Northern Virginia District Office at 4975 Alliance Drive, Fairfax, VA 22030.

Give your written comments at the meeting or submit them by **June 29, 2018** to Abi Lerner, P.E., Virginia Department of Transportation, 4975 Alliance Drive, Fairfax, VA 22030, or email meetingcomments@VDOT.virginia.gov.
