Find out about a project to improve safety at the intersection where Route 220 (Greensboro Road) connects with Route 220 Business (Church Street) and Route 688 (Lee Ford Camp Road) in Henry County. The project entails installing directional islands in the median of Route 220 to prevent left turn movements from the intersecting roads. The project also includes constructing a left turn lane to facilitate U-turns on Route 220 at the crossover immediately south of the intersection.

The hearing will be held in an “open-house” format and VDOT representatives will be present to answer questions. Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above addresses and will be available at the public hearing.

Review the project information and the National Environmental Policy Act document in the form of a Categorical Exclusion at the public hearing or after the hearing at VDOT’s Martinsville Residency Office located at 309 Weeping Willow Lane in Bassett, 276-629-2582, 800-367-7623, TTY/TDD 711. Please call ahead to ensure the availability of appropriate personnel to answer your questions.

Give your written or oral comments at the hearing or submit them by **December 24, 2017**, to Jim Keene, Project Manager, 309 Weeping Willow Lane, Bassett, VA, 24055. Comments also can be emailed to jim.keene@vdot.virginia.gov. Please reference “Route 220 Intersection Project - Henry County” in the subject heading.
