(New) Monday – Friday 9 a.m. – 2:30 p.m. Crews will be working to install a new traffic signal at the Route 218 (Caledon Road) and Route 206 (Dahlgren Road) intersection. Flaggers will guide motorists through the work zone.

Highway Improvement Projects

City of Fredericksburg

Fall Hill Avenue Widening and I-95 Overpass Replacement Project

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park), as well as on Mary Washington Boulevard. Project completion is January 2017.

Stafford County

95 Express Lanes Southern Terminus Extension

Construction is underway to extend 95 Express Lanes in Stafford County. The approximate [2.5 mile extension](#) will carry traffic beyond the flyover ramp where 95 Express Lanes currently end, just north of Exit 143/Route 610 (Garrisonville Road). The new southbound exit ramp is scheduled to open by early 2018, and the northbound entrance ramp will open in summer 2018.

Route 610/Onville Road Intersection Improvement Project

Construction is underway at the intersection of Route 610 (Garrisonville Road) and Route 641 (Onville Road) to build additional turn lanes. Traffic has been reduced to one lane in each direction on Onville Road. Project completion is May 2017.

Spotsylvania County

Route 1 and Route 620 (Harrison Road)

Construction to build additional turn lanes and extend existing turn lanes is underway at the intersection of Route 1 and Harrison Road in Spotsylvania County. Motorists should be alert for construction crews and equipment. Project completion is May 2018.

Caroline County/King George County

Route 301 at Rappahannock River

Bridge rehabilitation is underway on the James Madison Memorial Bridge over the Rappahannock River. Maintenance will occur below the bridge deck and includes repairing concrete, replacing bearings, shoring up rip-rap on the slope, and replacing navigation lights. All lanes are currently open on the bridge, but single lane closures will be in place periodically. Project completion is October 2017.

Route 721 (Sparta Road) Bridge Rehabilitation – PROJECT COMPLETE

Crews finished upgrading the bridge on Route 721 (Sparta Road) bridge over Maracossic Creek. The bridge is located near Route 640 (Maracossic Drive) and Route 645 (Pendleton Road). Sparta Road opened on Tuesday, Dec. 7 to traffic. VDOT crews replaced the existing bridge's steel beams and deck with new timber, steel and guardrail in less than a month.

Caroline County/King and Queen County

Route 721 (Newtown Road)

Construction is underway to build a new bridge over Beverly Creek at the Caroline County and King and Queen County line. Motorists are restricted to a single lane controlled by a temporary traffic signal in the work zone. The project is expected to be complete in July 2017.
