WORK TO BEGIN ON ROUTE 620/ SCOTTS FACTORY ROAD BRIDGE

Detour in place beginning Aug. 12

ISLE OF WIGHT COUNTY

– Crews with the Virginia Department of Transportation will close a portion of Route 620/Scotts Factory Road for bridge work.

The closure, which is scheduled to begin Aug. 12, will allow crews to replace the bridge's superstructure, a key component of the bridge that helps to support the bridge deck.

A marked detour will be in place, utilizing Route 655/Great Spring Road, Fairway Drive, Route 10/Benns Church Boulevard and Route 644/Turner Drive. Completion of the bridge work is expected in September.

The bridge, spanning Champion Swamp, was built in 1976.

Motorists are advised to plan their commute by using VDOT's free traffic information tools:
