LANE CLOSURES SCHEDULED FOR I-64 WIDENING PROJECT *Sunday, November 13 – Friday, November 18*

NEWPORT NEWS—For the week of Sunday, November 13, through Friday, November 18, lane closures are scheduled on Interstate 64 as follows:

Segment I: There will be a 20-minute traffic stoppage on I-64 west at the Lee Hall Reservoir bridge on Wednesday, November 16, starting at 3 a.m. A 20-minute traffic stoppage will also take place on I-64 east at the Lee Hall Reservoir bridge on Thursday, November 17, and Friday, November 18, starting at 3 a.m.

Starting Monday, November 14, through Thursday, November 17, there will be east- and westbound single-lane closures on Fort Eustis Boulevard between the I-64 on- and off-ramps, starting at 8 p.m. until 5 a.m. the following morning.

Segment II: There will be east- and westbound single-lane closures between Route 143 (exit 238) and Yorktown Road (exit 247), starting as early as 7 p.m. until 5 a.m. the following morning. Lane closures on Friday evenings will start as early as 9 p.m. until 7 a.m. the following morning.

The following interstate ramps will have a single-night closure with a signed detour in place from Sunday, November 13, through Tuesday, November 15, starting as early as 7 p.m. until 5 a.m. the following morning. Only one set of ramps will close at a time.

- Entrance ramp to I-64 west from Route 143 (Jefferson Avenue) north
- Exit ramp from I-64 west to Route 199 east and entrance ramp from Route 199 west

There will also be a consecutive northbound right-lane closure on Jefferson Avenue (Route 143) between the I-64 on- and off-ramps, starting at 9 a.m. on Monday, November 7, through noon on Wednesday, November 23.

One travel lane in each direction will remain open to traffic at all times. All construction work is dependent upon weather conditions.

Lane closures and construction information will be announced weekly. Project information and construction updates will also be available on the VDOT website at <http://i64widening.org/> and on [Twitter](#) and [Facebook](#).
