## **SAVILLE GARDEN WAY TO TEMPORARILY CLOSE ON HOLLAND ROAD CONNECTION PROJECT**

*Road to close Tuesday, December 20*

**VIRGINIA BEACH**— The Virginia Department of Transportation (VDOT) will temporarily close Saville Garden Way beginning at 9 a.m. on Tuesday, December 20. The closure will last two days as crews install storm drains and utilities in preparation for the new roadway on Holland Road.

Local traffic can use Chestnut Oak Way, English Oak Court or Berry Garden Way to access the Saville Garden Way neighborhoods and Holland Road. Motorists traveling on Holland Road will not be affected.

As construction moves along the corridor from Dam Neck Road to Nimmo Parkway, traffic shifts will occur as sections of temporary and new pavement are completed. Lane closures, when necessary, will only occur during off-peak hours, 9 a.m. to 3 p.m. Crews will work Monday through Friday from 7 a.m. until 4 p.m., weather conditions permitting.

Motorists are advised that the reduced 35 mph speed limit remains in effect throughout the work zone, and to drive with caution when traveling in the construction area.

The Holland Road Connection Project has been underway since the spring of 2015 and is scheduled for completion in October 2017. The project spans 2.5 miles and will increase road capacity from the existing two-lane road to a new four-lane divided roadway connecting Dam Neck Road to Nimmo Parkway.

Access to adjacent neighborhoods and businesses will remain throughout the project. To learn more, please visit <http://www.virginiadot.org/hollandroad>.

Motorists are encouraged to visit [www.va511.org](http://www.va511.org), call 511, listen to Highway Advisory Radio (HAR) 1680 AM or call the Traffic Information Line at 757-361-3016 for current traffic and travel information.
