WINTERPOCK ROAD (ROUTE 603) TO CLOSE FOR BRIDGE REPLACEMENT IN CHESTERFIELD
Closure and detour route expected to be in place through late summer 2020

CHESTERFIELD – Beginning Monday, May 18, the Virginia Department of Transportation (VDOT) will close Winterpock Road (Route 603) over Winterpock Creek in Chesterfield County for a bridge replacement project. All lanes will be closed in both directions between Coalboro Road and Black Road with a detour in place. Weather permitting, work is expected to be complete in late summer 2020.

During work, drivers should follow the posted detour route:

- **From eastbound Winterpock Rd.** –
  Turn right onto Coalboro Rd., left onto River Rd., left onto Black Rd. back to Winterpock Rd.

- **From westbound Winterpock Rd.** –
  Turn left onto Black Rd., right onto River Rd., right onto Coalboro Rd. back to Winterpock Rd.

Local traffic will be able to access property during the project.

Anyone with questions about the project can call VDOT’s customer service center at 800-FOR-ROAD (800-367-7623).

For the latest real-time traffic information or road conditions, call 511 or visit [http://www.511virginia.org](http://www.511virginia.org).
