

## Portsmouth

### Turnpike Road Reconstruction

#### Portsmouth

**Cost:** \$23.4 Million

**Current Status:** Under construction. Completion May 2018.

**About the Project:** This project will increase capacity and improve motorist and pedestrian safety by widening the existing two-lane road to four 11-foot-wide lanes and adding a 12-foot median left-turn lane, sidewalks, curbs and gutter. The project spans approximately 1 mile, from west of Frederick Boulevard to Constitutional Avenue in Portsmouth. This project will be completed in phases, with segments of Turnpike Road closed during each phase. Signed detours will be in place during construction to allow travelers to reach their destinations on Turnpike Road.
