George Washington Memorial Highway (Route 17) Widening

Cost: \$25.2 Million

Current Status: Completed December 2016.

About the Project: This project increased the capacity of George Washington Memorial Highway between Hampton Highway and Wolf Trap Road from four lanes to six lanes, with three lanes in each direction. Improvements included a raised median, curb and gutter, and a shared-use path parallel to the northbound lane from Mill Road to Showalter Road. Two bridges over the Poquoson River were replaced with one bridge carrying six lanes of traffic and a shared-use path.

Route 134 Bridge Replacement

Cost: \$6.6 Million

Current Status: In design. Right of way activities to begin Summer 2017. Contract award expected Summer 2019.

About the Project: This project will replace the aging northbound bridge and rehabilitate the southbound bridge on Route 134 over Brick Kiln Creek in York County at the Hampton city line. The proposed northbound bridge will have two 12-foot travel lanes with a 6-foot shoulder on the left and a 10-foot shoulder on the right. The southbound bridge will receive an overlay.
