## Interstate 81 Exit 205/Route 606 (Raphine Road)

UPC 109370

**SMART SCALE Applicant:**

Rockbridge County

This project provides operational improvements to the existing interchange. Both the northbound and southbound Interstate 81 deceleration-ramps will be widened to provide designated left and right-turn lanes. The ramp intersections with Route 606 will be improved with lane markings to provide channelization. A lane will be striped out on Route 606 west of Interstate 81 to provide area for truck trailer tracking.

**SMART SCALE Funding:**

\$500,108

**Estimated Cost (UPC 109370):**

\$2,440,100

This project is being coordinated with the Interstate 81 Corridor Improvement Plan. It will be included with two I-81 CIP bundled ramp extensions: northbound exit 205 acceleration lane (UPC 115801) and southbound exit 205 acceleration lane (UPC 116245).

**Estimated Ad Date:**

Fall 2021

## North Main Street (Route 11) Complete Streets Entry Corridor, City of Lexington

UPC 111057

**SMART SCALE Applicant:**

City of Lexington/Central Shenandoah Planning District Commission

This project provides bicycle and pedestrian facilities. The project has multimodal and aesthetic improvements along a 0.62-mile section of Main Street (Route 11 Business), adjacent to the Virginia Military Institute campus.

**SMART SCALE Funding:**

\$2,845,557

The improvements consist of the addition of delineated, on-road bicycle lanes in both directions, enhanced pedestrian crossings, and the widening of the existing sidewalk along the east side of Main Street.

**Estimated Cost:**

\$2,845,557

**Estimated Ad Date:**

Fall 2023
