

RFQ QUESTIONS AND ANSWERS
REPLACEMENT OF I-81 STRUCTURES 18942 AND 18944 OVER
RTE. 808 HALLS BOTTOM RD. AND SINKING CREEK

VDOT PROJECT 0081-095-038

NOVEMBER 4, 2015 (Updated responses dated November 4, 2015 are shown in red)

- 1) Would you please confirm that the DBE participation goal for the project Replacement of I-81 Structures 18942 & 18944 over Rte. 808 Halls Bottom Rd and Sinking Creek is correct, as below?

3.2.11 Provide a written statement within the Letter of Submittal that Offeror is committed to achieving a two percent (2%) DBE participation goal for the entire value of the contract.

Confirmed, DBE goal for this project has been determined to be two percent (2%) of the entire value of the contract.

- 2) Page 16 of the solicitation states, "All printing, except for the front cover of the Statement of Qualifications, should be Times New Roman, with a font of 12-point (Times New Roman 10 point font may be used for filling out information on the Key Personnel Resume Form and the Work History Forms)." Please confirm that 10 point font may also be used for the organizational chart, to accommodate the breadth and depth of staff appropriate for this project.

All printing, except for the front cover of the Statement of Qualifications, should be Times New Roman, with a font of 12-point (Times New Roman 10 point font may be used for filling out information on the Key Personnel Resume Form and the Work History Forms). This requirement does not apply to text on the organizational chart. Text that is part of a graphic can be modified within reason. All text that is part of a graphic should be readable and should be no smaller than Times New Roman 10 point. Larger text can be used as well.

- 3) The GDR for this project was developed by Schnabel Engineering for Moffatt & Nichol. Are these firms being precluded from participating as a Design-Build team member due to their advanced knowledge on the project?

All firms that are precluded from participating as Design Build Team members are listed in Section 11.2 Conflict of Interest of the RFQ. All preliminary work done by Moffatt & Nichol and Schnabel Engineering related to the Project was complete prior to RFQ release and is available to all Offerors.

- 4) We have a team member who does not have a Virginia PE but does have a PE in another state. He will not be performing professional engineering duties on this project. Can we list him as a PE on the submission, in locations such as the organizational chart?

Since this person will not be performing professional engineering duties on this project, it is acceptable to list PE as a part of his title. Please note any individual performing professional engineering duties on this project shall comply with all applicable state laws and regulations.
