Request for Proposal (RFP) No. MAT20161219 is hereby updated to reflect the following changes:

1. Page 2, GENERAL, 2nd paragraph has been revised to read as follows:

This will be a statewide term contract in which the Department anticipates, but does not guarantee awarding multiple contracts to one or more, but not to exceed three (3) qualified prime consultant firms as a result of this Request for Proposal. The statewide contracts awarded from this RFP may be assigned to the regions as shown in Attachment “A” of this RFP. The counties listed in Attachment “A” of this RFP represent the geotechnical engineering service areas within VDOT’s Northern, Western and Eastern Regions. VDOT reserves the right to modify the counties included in this Request for Proposal (RFP), and any resulting contracts, based on any changes that may occur to the boundaries of the VDOT Regions and/or Districts. The Department reserves the right to assign task orders to Consultants under these contracts to provide these same services in other Regions and/or Districts.

2. Page 10, EXPRESSION OF INTEREST (EOI), Item 11 is revised to remove the word “*or*”, as follows:

In 3 page(s) or less, provide information that will indicate your firm’s ability and experience providing the services requested in this RFP in the Northern, Eastern and ~~Western~~ Regions.

All other information will remain the same. A new RFP will not be published. Thank you for your interest in VDOT’s Professional Service Consultant Procurement Program.
