RFP # 19-04RW

VDOT PROJECT NO.: 0033-039-587, R201; UPC 109519

The Virginia Department of Transportation (“VDOT”) is requesting proposals (RFP) from prequalified appraisal firms that wish to be considered for providing appraisal services related to real estate being acquired by VDOT for the VDOT Project identified above.

All requests for information regarding this procurement should be directed to Mr. Neil Hord at (804) 786-4079.

Firms interested in being considered must submit one original and two copies of their completed proposal and any additional response, if deemed necessary, to:

Mrs. Lori A. Snider
State Right of Way Director
Right of Way Division
1401 East Broad Street
Richmond, Virginia 23219

It is the policy of the Virginia Department of Transportation that Disadvantaged Business Enterprises (“DBE”) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of federally funded contracts. A list of certified DBE firms is maintained on the Department of Small Business and Supplier Diversity’s web site (www.sbsd.virginia.gov) under the **DBE Directory of Certified Vendors**. Consultants are encouraged to take all necessary and reasonable steps to ensure that DBE firms have the maximum opportunity to compete for and perform services on the “Contract” (defined below), including participation in any subsequent supplemental contracts. If the consultant identified on the cover sheet of this Request for Proposal (the “Consultant”) intends to subcontract a portion of the services on the project, the Consultant is encouraged to seek out and consider DBE firms as potential subcontractors. The Consultant is encouraged to contact DBE firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a DBE firm whereby the DBE firm promises not to provide services to other consultants is prohibited.

Any DBE or Small, Woman-owned and Minority-owned business (“SWaM”) firm must become certified with the Department of Small Business and Supplier Diversity (“SBSD”) prior to your response being submitted. If a DBE or SWaM firm is the prime contractor, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE or SWaM subcontractors. DBE or SWaM prime contractors are encouraged to make the same outreach efforts as other contractors. DBE or SWaM credit will be awarded only for work actually being performed by them. When a DBE or SWaM prime contractor subcontracts work to another firm, the work counts toward DBE or SWaM goals only if the other firm is itself a DBE or SWaM. A DBE or SWaM prime contractor must perform or exercise responsibility for at least 30% of the total cost of its Contract with its own force.

DBE or SWaM certification entitles consultants to participate in VDOT’s DBE and SWaM programs. However, this certification does not guarantee that the firm will obtain VDOT work nor does it attest to the firm’s abilities to perform any particular work.

In compliance with this Request for Proposal (“RFP”) and all the conditions imposed herein, the undersigned consultant offers and agrees to furnish these services in accordance with the proposal.

The consultant identified on the cover sheet of this Request for Proposal (“RFP”) (the “Consultant”) and the Commonwealth of Virginia Department of Transportation (“VDOT” or the “Department”) have expressed a mutual interest in establishing an agreeable framework for procuring appraisal services (the “Services”) for the VDOT Project and parcel numbers identified on the cover sheet of this RFP.

This request for proposal contains the terms under which the Consultant proposes to perform the Services, and if the Consultant’s proposal is accepted by the Department, includes the terms of the “Contract” (defined in Part IX below).

PART I PURPOSE AND INTENT

The purpose of this RFP is to solicit proposals through competitive negotiations for the services of an appraisal firm which will prepare appraisals for all parcels assigned under this RFP according to the laws, rules, regulations, policies, and procedures outlined in Part II hereof. It shall be the intent of the Contract that the Consultant, employing qualified, competent personnel, shall perform all services necessary to prepare appraisal reports, which may include current owner title rundowns, on the parcels identified on the cover sheet of this RFP.

PART II PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS

- A. RFP Response: To be considered for selection, the Consultant must submit a complete response to this RFP consisting of one (1) complete paper original (marked “Original”), and two (2) full paper copies (marked “Copy”). The Consultant’s proposal must be in a sealed envelope or package and addressed as directed on the cover/signature page of this RFP. Electronic responses are not acceptable.

- B. Each business entity (prime and subconsultants) proposed on the Contract and practicing or offering services in Virginia must provide evidence of copies of registrations and licenses for all main and branch offices proposed for the Contract, as well as full size copies of appropriate individual appraisal licenses. Full size copies of State Corporation Commission (SCC) and Department of Professional and Regulation (DPOR) registrations

should be included. The following registrations and licenses must be included in this submission:

1. The SCC registration detailing the name, registration number, type of business entity and status of the business entity.
2. The DPOR registration for the main office practicing or offering to practice any professional services in Virginia under the Contract detailing the business name, address, registration type, registration number, expiration date, and licensing details for the associated professional responsible in charge.
3. The DPOR registration for each branch office practicing or offering to practice professional services in Virginia under the Contract detailing the business name, business address, registration type, registration number, expiration date and licensing details for the associated professional responsible in charge of the branch office.
4. The DPOR license for each of the “Key Personnel” (defined in Part V, Section D below) practicing or offering to practice professional services in Virginia under the Contract detailing the name, the address, type, the registration number, and the expiration date. Provide the office location where each Key Personnel member will be performing the work.
5. The DPOR license for those regulated services other than professional services (i.e. real estate appraisal) under the Contract detailing the business name, the address, the registration type, the registration number, and the expiration date.

Failure to comply with the law with regard to those requirements in Virginia (whether federal or state) regarding your organizational structure, any required registration with governmental agencies and/or entities, and any required governmental licensure, whether business, individual, or professional in nature may render your submittal, in the sole and

reasonable discretion of the Department, non-responsive and in that event your submittal may not be considered or evaluated.

C. Proposal Preparation:

1. Proposals shall be submitted solely on the Scope of Work set forth in Section 2.00 of the Contract and are not to reflect any revisions to the Scope of Work made after the issue date of the RFP.
 - a. Proposals shall be signed by an authorized representative of the Consultant. All information requested should be submitted. Failure to submit all information requested may result in the Department requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete, fail to meet mandatory requirements, or lack key information may be rejected by the Department. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
 - b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
 - c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to repeat the paragraph number, subletter, and text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the Consultant desires to present that does not fall within any of the requirements of

the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

- d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the degree to which requirements are critical. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labelled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of a Consultant to satisfy a "must" or "shall" requirement does not automatically remove that Consultant from consideration; however, it may seriously affect the overall rating of the Consultant's proposal. Once the Consultant and the Department have entered into the Contract, the terms "must", "shall", "should" and "may" where used in those portions of the RFP incorporated into the Contract shall have their ordinary meaning.
- e. Each copy of the proposal should be bound or contained in a single volume where practical (such as in a 3-ring binder). All documentation submitted with the proposal should be contained in that single volume, except the Small Business Subcontracting Plan (Attachment B), which should be provided in a separate envelope. Proposals should be formatted as follows:
 - i. 8½ x 11 inch page size (larger pages are allowed for figures or tables, but they must be folded into the overall proposal and used sparingly) with at least 11 point font.
- f. Ownership of all data, materials, and documentation originated and prepared for the Commonwealth pursuant to the RFP shall belong exclusively to the Commonwealth.

2. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the Department. This provides an opportunity for the Consultant to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The Department will schedule the time and location of these presentations. Oral presentations are an option of the Department and may or may not be conducted.

D. SPECIFIC PROPOSAL INSTRUCTIONS:

Proposals should be as thorough and detailed as possible so that the Department may properly evaluate your capabilities to provide the required services. Offerors are required to submit the following items as a complete proposal (organized under the following Section Tabs):

TAB 1: COMMITMENT OF OFFEROR

1. Return the RFP Cover Sheet (Page 1) and all addenda acknowledgments, if any, signed by an authorized representative of the Consultant, and filled out as required;
2. Offeror shall submit a State Corporation Commission Form, Attachment D;
3. Offeror shall submit a Proprietary/Confidential Information Summary Form, Attachment E;
4. Indicate any item(s) where the proposal is not in compliance with RFP requirements and explain why the deviation should not be viewed detrimentally by VDOT;
5. Provide a statement that your firm accepts the Department's General Terms and Conditions attached as Attachment A, and Special Terms and Conditions attached as Attachment I, without modification or exception. It is the Consultant's responsibility to make all of its personnel aware of these requirements; and,

6. Conflict of Interest: Consultant shall identify any actual or perceived conflict of interest of Consultant or any subcontractor of Consultant with regard to the work to be provided under the Contract as defined by the State and Local Conflict of Interests Act (2.2-3100 *et seq.*).

TAB 2: EXPERIENCE AND QUALIFICATIONS OF FIRM

1. A written narrative statement to include or attach:
 - a. Experience of firm in providing the services described herein;

TAB 3: EXPERIENCE AND QUALIFICATIONS KEY PERSONNEL

 - a. Names, experience and qualifications of Consultant’s essential personnel to be assigned to the Contract (“Key Personnel”);
 - b. Resumes of staff to be assigned to the project, if known.

In this tab the Consultant shall submit a list of all personnel and tasks to be performed by each under the Contract. If names of all personnel are not known at the time of filing the proposal, the consultant shall update the list and resumes as such personnel are identified.

TAB 4: SMALL BUSINESS SUBCONTRACTING PLAN

The Consultant shall submit Attachment B, Small Business Subcontracting Plan, and indicate its planned utilization of Virginia Department of Small Business and Supplier Diversity (“SBSD”) certified Disadvantaged Business Enterprise (“DBE”) or Small, Woman-owned and Minority-owned (“SWaM”) businesses under the resulting contract and Consultant’s status as a SBSD certified Disadvantaged Business Enterprise (“DBE”) or

Small, Woman-owned and Minority-owned (“SWaM”) business in accordance with instructions of Attachment B. It is preferable that the Small Business Subcontractor Plan be provided in a separate envelope within the proposal package.

TAB 5: PRICING

Complete the Fee Proposal (Attachment G). The Consultant is responsible for all costs of proposal preparation. VDOT is not liable for any cost incurred by an offeror in responding to the RFP.

PART III EVALUATION AND AWARD CRITERIA

A. Evaluation Criteria:

1. Qualifications and experience of personnel assigned this project in appraisal. 40%
2. The Consultant firm’s organization capability and ability to perform job on time. 25%
3. The Consultant firm’s present workload with VDOT. 10%
4. Planned participation of DBE or SWaM certified businesses (20%). Indicate on Tab 5 of your proposal if the firm is a business certified by the Department of Small Business and Supplier Diversity (SBSD) as a DBE or SWaM business or is eligible for certification.
5. Review and analysis of submitted Fee Proposal (“Attachment G”). 5%

B. Award: Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Department may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to

be the most advantageous (*Code of Virginia*, § 2.2-4359D). Should the Department determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor's proposal as negotiated.

- C. Multiple Awards: The Department reserves the right to make multiple awards as a result of this solicitation. The award(s) will be made to the lowest responsive and responsible bidder(s) meeting the requirements of the solicitation. The Department reserves the right to conduct any tests it may deem advisable and to make all evaluations. The Department also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the Department to be in its best interest.

- D. Protest: Any offeror who desires to protest the decision against an award of a contract shall submit such protest in writing to the Department no later than ten days after the announcement of the decision to award this contract to the selected consultant.

- E. Duration of Proposal: This proposal shall be binding upon the Offeror for ninety (90) days following the proposed due date. If the proposal is not withdrawn at that time, it remains in effect until an award is made or the solicitation is cancelled.

PART IV CONTRACT DOCUMENT

This Agreement, dated as of the _____ day of _____, 2019, by and between the Commonwealth of Virginia, Department of Transportation, whose office is in the City of Richmond in the Commonwealth of Virginia, hereafter referred to as the “Department” or “VDOT,” acting by and through its duly authorized Commissioner, party of the first part, and _____ with offices at _____, hereinafter referred to as the “Consultant,” party of the second part,

WITNESSETH: that the Consultant does hereby agree to perform the services required of it herein in exchange for the consideration to be provided by the Department as stated herein, all in connection with the work as hereinafter defined and described for the “Project” (defined below). When used herein, the term “Contract” shall mean this Agreement together with all documents attached hereto or incorporated by reference herein.

It is the policy of the Virginia Department of Transportation that Disadvantaged Business Enterprises (“DBE”) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of federally funded contracts. A list of certified DBE firms is maintained on the Department of Small Business and Supplier Diversity’s web site (www.sbsd.virginia.gov) under the **DBE Directory of Certified Vendors**. Consultants are encouraged to take all necessary and reasonable steps to ensure that DBE firms have the maximum opportunity to compete for and perform services on the “Contract” (defined below), including participation in any subsequent supplemental contracts. If the consultant identified on the cover sheet of this Request for Proposal (the “Consultant”) intends to subcontract a portion of the services on the project, the Consultant is encouraged to contact DBE firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a DBE firm whereby the DBE firm promises not to provide services to other consultants is prohibited.

Any DBE or Small, Woman-owned and Minority-owned business (“SWaM”) firm must become certified with the Department of Small Business and Supplier Diversity (“SBSD”) prior to your response being submitted. If a DBE or SWaM firm is the prime contractor, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE or SWaM subcontractors. DBE or SWaM prime contractors are encouraged to make the same outreach efforts as other contractors. DBE or SWaM credit will be awarded only for work actually being performed by them. When a DBE or SWaM prime contractor subcontracts work to another firm, the work counts toward DBE or SWaM goals only if the other firm is itself a DBE or SWaM. A DBE or SWaM prime contractor must perform or exercise responsibility for at least 30% of the total cost of its Contract with its own force.

DBE or SWaM certification entitles consultants to participate in VDOT’s DBE and SWaM programs. However, this certification does not guarantee that the firm will obtain VDOT work nor does it attest to the firm’s abilities to perform any particular work.

3.03

If the work provided for under the Contract should be delayed by conditions beyond the control of the Consultant, and through no fault or negligence on its part, the Consultant may apply in writing for an extension of time because of such delay. If, in the opinion of the Commissioner or his duly authorized representative, a delay due to such cause is justified, the Consultant will be granted an extension of time, reasonably sufficient under relevant circumstances, to enable the Consultant to make up the progress lost as a result of the delay so caused.

4.00 - ERRORS

The performance of services or acceptance of the appraisal reports required hereunder shall not relieve the Consultant from obligation to correct any defective work subsequently discovered by the Department, and all incomplete, inaccurate or defective work shall be remedied by the Consultant on demand by, and without cost to, the Department.

5.00 - PAYMENT

The Consultant shall be paid the sum shown as “Appraisal Fee” on the Fee Proposal attached hereto as Attachment G for each complete appraisal report timely submitted, which shall constitute full compensation to the Consultant for that appraisal report. Statement for services shall be rendered to the Department at the completion of the appraisal report with the amount billed to bear the same

individual report fee as set forth in the Fee Proposal. If the appraisal report is found not to be acceptable because of defects in workmanship or failure to comply with Section 2.00 above, payment will be withheld until corrections are made and the report is found to be acceptable. Such statements or invoices shall be sent to the Department at the following address: **Virginia Department of Transportation, Right of Way Division, 1401 E. Broad Street, Richmond, Virginia 23219, Attn: Mr. Neil Hord.**

The Consultant shall keep such records with respect to each appraisal as may be required in connection with such preparation or testimony. The said per diem rate is also applicable when the Department requires revisions, updates and/or modifications of any appraisal.

7.00 - TERMINATION

7.01 - TERMINATION WITHOUT CAUSE

The Department reserves the right to terminate the Contract, in whole or in part, at any time upon fifteen (15) days advance written notice to the Consultant, by the end of which period the Consultant shall, unless the notice directs otherwise, discontinue all work and services.

If the Contract is so terminated, the Consultant shall be paid for the actual cost of work and services performed up to the date of termination and all work completed or partially completed by the Consultant at the date of termination shall be delivered to the Department.

7.02 - TERMINATION FOR CAUSE

Without advance written notice, the Department may terminate the Contract due to the failure of the Consultant to fulfil its obligations under the Contract, and the Department may take over the work and services and prosecute the same to completion by further agreement or otherwise, and the Consultant shall be liable to the Department for any excess cost occasioned to the Department thereby.

GENERAL TERMS AND CONDITIONS:

- A. **VENDORS MANUAL:** This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.eva.virginia.gov under “Vendors Manual” on the vendors tab.
- B. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Department and the Consultant are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (*Code of Virginia*, § 2.2-4366). ADR procedures are described in Chapter 9 of the *Vendors Manual*. The Consultant shall comply with all applicable federal, state and local laws, rules and regulations.
- C. **ANTI-DISCRIMINATION:** By submitting their proposals, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).
1. During the performance of this contract, the Consultant agrees as follows:

- a. The Consultant will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Consultant. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
- b. The Consultant, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that the Consultant is an equal opportunity employer.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

2. The Consultant will include the provisions of Section C.1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

D. **ETHICS IN PUBLIC CONTRACTING:** By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

E. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with the Commonwealth of Virginia, the Consultant certifies that the Consultant does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

F. **DEBARMENT STATUS:** By participating in this procurement, the Consultant certifies that it is not currently debarred by the Commonwealth of Virginia from submitting a response for the type of goods and/or services covered by this solicitation. The Consultant further certifies that it is not debarred from

filling any order or accepting any resulting order, or that it is an agent of any person or entity that is currently debarred by the Commonwealth of Virginia.

G. **ANTITRUST:** By entering into a contract, the Consultant conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

H. **MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR RFPs:**

Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

I. **CLARIFICATION OF TERMS:** If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

J. **PAYMENT:**

1. **To Consultant:**

- a. Invoices for work product ordered, delivered and accepted shall be submitted by the Consultant directly to the payment address shown on the Contract. All invoices shall show the state contract number and purchase order number, if any; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations); itemized quantities, unit prices and extended costs based on the Rate Schedule. No payment will be made for unsatisfactory work or for work in progress on the prescribed payment dates.

- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. Monthly Partial Billings. Monthly partial billings will be submitted as established in the Contract. When the net receivable amount is less than \$500.00, no partial payment will be made and the value of such work shall be carried over to the next monthly billing. Monthly partial payments will be made for the services outlined based on the sum of the Consultant's statement of actual costs incurred. Billings shall be submitted no more frequently than once every 30 calendar days.
- d. All services provided under the Contract or a purchase order hereunder, that are to be paid for with public funds, shall be billed by the Consultant at the contract price, regardless of which public agency is being billed.
- e. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- f. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, the Consultant should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Consultant, in writing, as to those charges which it considers unreasonable and the basis for the determination. The Consultant may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).

2. To Subcontractors:

- a. An offeror awarded a contract under this solicitation is hereby obligated:
 - (1) To pay the subcontractor(s) within seven (7) days of the Consultant's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or
 - (2) To notify VDOT and the subcontractor(s), in writing, of the Consultant's intention to withhold payment and the reason.
 - b. The Consultant is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the Consultant that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. The Consultant's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
3. Each prime contractor who wins an award in which provision of a SWaM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWaM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
4. The Commonwealth of Virginia encourages the Consultant and its subcontractors to accept electronic and credit card payments.

K. **PRECEDENCE OF TERMS:** The following General Terms and Conditions *VENDORS MANUAL*, *APPLICABLE LAWS AND COURTS*, *ANTI-DISCRIMINATION*, *ETHICS IN PUBLIC CONTRACTING*, *IMMIGRATION REFORM AND CONTROL ACT OF 1986*, *DEBARMENT STATUS*, *ANTITRUST*, *MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS*, *CLARIFICATION OF TERMS*, *PAYMENT* shall apply in all instances. In the event there is a conflict

between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

- L. **QUALIFICATIONS OF OFFERORS:** The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the Contract and to provide the services contemplated therein.
- M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- N. **ASSIGNMENT OF CONTRACT:** The Contract shall not be assignable by the Consultant in whole or in part without the written consent of the Commonwealth.
- O. **CHANGES TO THE CONTRACT:** Changes can be made to the Contract in any of the following ways:
1. The parties may agree in writing to modify the terms, conditions, or scope of the Contract. Any additional goods or services to be provided shall be of a sort that is ancillary to the contract goods or services, or within the same broad product or service categories as were included in the Contract award. Any increase or decrease in the price of the Contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the Contract.
 2. The Department may order changes within the general scope of the Contract at any time by written notice to the Consultant. Changes within the scope of the Contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Consultant shall comply with the notice upon receipt, unless the Consultant intends to claim an adjustment to compensation, schedule, or other contractual impact that would be caused by complying with such notice, in which case the Consultant shall, in writing, promptly notify the Department of the adjustment to be sought, and before proceeding to comply with the notice, shall

await the Department's written decision affirming, modifying, or revoking the prior written notice. If the Department decides to issue a notice that requires an adjustment to compensation, the Consultant shall be compensated for any additional costs incurred as the result of such order and shall give the Department a credit for any savings. Said compensation shall be determined by one of the following methods:

- a. By mutual agreement between the parties in writing; or
- b. By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Consultant accounts for the number of units of work performed, subject to the Department's right to audit the Consultant's records and/or to determine the correct number of units independently; or
- c. By ordering the Consultant to proceed with the work and keep a record of all costs incurred and savings realized. A mark-up for overhead and profit may be allowed if provided by the Contract. The same mark-up shall be used for determining a decrease in price as the result of savings realized. The Consultant shall present the Department with all vouchers and records of expenses incurred and savings realized. The Department shall have the right to audit the records of the Consultant as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Department within thirty (30) days from the date of receipt of the written order from the Department. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of the Contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of the Contract shall excuse the Consultant from promptly complying with the changes ordered by the Department or with the performance of the Contract generally.

- P. **DEFAULT:** In case of failure to deliver services in accordance with the Contract, the Department, after due oral or written notice, may procure them from other sources and hold the Consultant responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Department may have.

Q. **INSURANCE:** By signing and submitting a bid or proposal under this solicitation, the offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. B. The offeror's proposed Project Manager should be an employee that can be assigned to the Contract for the entire period.

C. The Department reserves the right, in its sole discretion, to divide assignments for a given Project among competing appraisal firms.

2. **AUDIT:**

The Consultant shall retain all books, records, and other documents relative to the Contract for five (5) years after final payment. The foregoing document retention requirement may be extended by the Department with respect to documents related to courtroom appearances on its behalf.

3. **CLAIMS:**

The Consultant shall be responsible for the resolution of any and all damage claims resulting from operations provided herein. Within 30 days of VDOT's notification to the Consultant of a claim, the Consultant shall respond in writing to the claimant and copy VDOT. Failure to properly respond to and resolve claims in a timely manner constitutes unsatisfactory performance and may result in cancellation of the Contract and/or removal from the offeror list.

4. **CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION:**

The Consultant assures that information and data contained in an appraisal or obtained as to personal facts and circumstances related to clients will be collected and held confidential, during and following the term of the Contract, and unless disclosure is required pursuant to court order, subpoena or other regulatory authority, will not be divulged without the individual's and VDOT's written consent and only in accordance with federal law or the Code of Virginia. The Consultant and its subcontractors who utilize, access, or store personally identifiable information as part of the performance of the Contract are required to safeguard this information and immediately notify VDOT of any breach or suspected breach in the security of such information. The Consultant and its subcontractors shall allow VDOT to both participate in the investigation of incidents and exercise control over decisions regarding external reporting. The Consultant and its employees and subcontractors working on a VDOT project may be required to sign a confidentiality statement.

5. **DELAYS IN AWARD:**

Delays in award of a contract beyond the anticipated starting date may result in a change in the contract period indicated in the solicitation. 6. **E-VERIFY PROGRAM:**

Pursuant to *Code of Virginia*, §2.2-4308.2., any employer with more than an average of 50 employees for the previous 12 months entering into a contract in excess of \$50,000 with any agency of the Commonwealth to perform work or provide services pursuant to such contract shall register and participate in the E-Verify program to verify information and work authorization of its newly hired employees performing work pursuant to such public contract. Any such employer who fails to comply with these provisions shall be debarred from contracting with any agency of the Commonwealth for a period up to one year. To the maximum extent permitted by applicable law, the Consultant will not be liable under the Contract for indirect, incidental, special or consequential damages, or damages from loss of profits, revenue, data or use of the supplies, equipment and/or services delivered under the Contract. This limitation of liability will not apply, however, to liability arising from: (a) personal injury or death; (b) defect or deficiency caused by willful misconduct or negligence on the part of the Consultant; or (c) circumstances where the Contract expressly provides a right to damages, indemnification or reimbursement.

9. **LIQUIDATED DAMAGES:**

Delivery is required not later than the dates stated by the Department in its purchase order or other written assignment of parcels to the Consultant. It is understood and agreed by the offeror that time is of the essence in the delivery of products and services of the character and quality specified in the proposal document. In the event these specified products and services are not delivered by the date specified there will be deducted, for each incomplete task on an assigned parcel, not as a penalty but as liquidated damages, the

sum of \$500.00 per day for each and every calendar day of delay beyond the time specified, which sum fairly represents an estimate of project delay damages and other expenses to which the Department is exposed as a result of such delay; except that if the delivery be delayed by any act, negligence, or default on the part of the Department, public enemy, war, embargo, fire, or explosion not caused by the negligence or intentional act of the Consultant or his supplier(s), or by riot, sabotage, or labor trouble that results from a cause or causes entirely beyond the control or fault of the Consultant or his supplier(s), a reasonable extension of time as the Department deems appropriate may be granted. Upon receipt of a written request and justification for any extension from the Consultant, the Department may extend the time for performance of the Contract, at the Department's sole discretion, for good cause shown.

11. **CONSULTANT RESPONSIBILITIES:**

The Consultant shall be responsible for completely supervising and directing the work under this Contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under the Contract shall be responsible to the Consultant. The Consultant agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

12. **PROPRIETARY INFORMATION:**

All information submitted to VDOT is subject to disclosure under the Freedom of Information Act (2.2-3700 et seq. of the Code of Virginia) unless a specific exclusion applies. To claim an exclusion under the Virginia Public Procurement Act (2.2-4300 et seq. of the Code of Virginia) for data or materials submitted as part of a procurement

transaction or prequalification application that the Consultant believes are trade secrets or proprietary information, the Consultant must file:

- 1) a written request, either before or at the time the data or materials are submitted, that:
 - Invokes the protection of 2.2-4342 of the Code of Virginia;
 - Identifies the specific data or other materials the Consultant seeks to exclude and protect by using some distinct method such as highlighting or underlining; and
 - States the reasons why protection is necessary, and
- 2) a redacted copy of your submittal that deletes or blocks all data or material which is identified as a trade secret or proprietary information in the written request.

Only identify the specific words, figures, or paragraphs that are claimed to be trade secrets or proprietary information. VDOT will not accept responsibility for any disclosure of proprietary information that is a result of improper redaction by the Consultant. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal. If, after being given reasonable time the offeror refuses to withdraw an entire classification designation, the proposal will be rejected. Offerors must provide with their proposal a summary of any proprietary information using the Attachment E, Proprietary/Confidential Information Summary Form that is attached to this RFP.

13. **QUALIFICATIONS OF OFFERORS:**

VDOT may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the contract. Such investigations may include but are not limited to fingerprint-based criminal history background checks, credit checks, legal residence checks, or proof of US citizenship. The offeror shall furnish to VDOT all such information and data for this purpose as may be requested. VDOT further

reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy VDOT that such offeror is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

14. **RECORDS EXCLUSION FROM PUBLIC DISCLOSURE:**

Pursuant to the provisions of §2.2-3705.6 (22) of the Code of Virginia, trade secrets, as defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.), including, but not limited to, financial records, including balance sheets and financial statements, that are not generally available to the public through regulatory disclosure or otherwise, and revenue and cost projections supplied by a private or nongovernmental entity to the Inspector General of VDOT for the purpose of an audit, special investigation, or any study requested by the Inspector General's Office in accordance with law may, subject to a determination by the Inspector General as described herein, be withheld from public disclosure under the Virginia Freedom of Information Act (FOIA). To enable the Inspector General to identify data or records that may be subject to this exclusion from disclosure under FOIA the private or nongovernmental entity shall, in accord with procedures adopted by the Inspector General, make a written request to the Inspector General; invoking such exclusion upon submission of the data or other materials for which protection is sought; identifying with specificity the data or other materials for which protection is sought; and stating the reasons why protection is necessary.

The Assurance and Compliance Office of VDOT shall determine whether the requested exclusion from disclosure is necessary to protect the trade secrets or financial records of the private entity. VDOT shall make a written determination of the nature and scope of the protection to be afforded by it. Notwithstanding the foregoing, Consultant's failure to comply with the requirements stated herein and procedures established by the Inspector General for seeking an exclusion pursuant to §2.2-3705.6 (22) of the Code of Virginia shall result in a denial of the exclusion. Requests for exclusion that are submitted after data or other materials for which protection is sought have been submitted will be denied.

If litigation directly or indirectly results from or arises out of a granted exemption, the Consultant will be responsible for all litigation costs incurred by Consultant and/or VDOT associated with such litigation. In no event shall VDOT or its officers, employees or agents be liable to the Consultant as a result of any disclosure of records or data collected by the Department, its officers, employees or agents, pursuant to an audit, special investigation, or any study requested by the Assurance and Compliance Office, whether or not the Assurance and Compliance Office has determined that the requested exclusion from disclosure under FOIA is necessary to protect the trade secrets or financial records of the private entity, and in no event shall VDOT, or its officers, employees, or agents be liable to the Consultant for any damages or other claims arising directly or indirectly from a determination that the exclusion from public disclosure will not be granted.

15. **SAFETY AND HEALTH STANDARDS:**

It is a condition of the Contract, and shall be made a condition of each subcontract entered into pursuant to the Contract, that the Consultant and any subcontractor shall not require any worker employed in performance of the Contract to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to their health or safety, as determined under construction safety and health standards promulgated by the US Secretary of Labor in accordance with Section 107 of the *Contract Work Hours and Safety Standards Act*. The Consultant shall comply with the Virginia Occupational Safety and Health Standards adopted under Section 40.1-22 of the *Code of Virginia* and the duties imposed under Section 40.1-51.1 of the *Code*. Any violation of the requirements or duties that is brought to the attention of the Consultant shall be immediately abated. Additionally at a minimum, all Consultant personnel shall comply with the following, unless otherwise determined unsafe or inappropriate in accordance with OSHA regulations: Hardhats shall be worn while participating in or observing all types of field work when outside of a building or outside of the cab of a vehicle, and exposed to, participating in or supervising construction. Adequate eye protection shall

be worn in the proximity of the grinding, breaking of rock and/or concrete, while using brush chippers, striking metal against metal or when working in situations where the eyesight may be in jeopardy. Safety vests shall be worn by all exposed to vehicular traffic and construction equipment. Standards and guidelines of the current *Virginia Work Area Protection Manual* shall be used when setting, reviewing and removing traffic controls. Flag persons shall be certified according to the Virginia Flagger Certification Program. No person shall be permitted to position themselves under any raised load or between hinge points of equipment without first taking steps to support the load by the placing of a safety bar or blocking. Explosives shall be purchased, transported, stored, used and disposed of by a Virginia Certified Blaster in possession of a current criminal history record check and a commercial driver's license with hazardous materials endorsement and a valid medical examiner's certificate. All federal, state and local regulations pertaining to explosives shall be strictly followed. All electrical tools shall be adequately grounded or double-insulated Ground Fault Circuit Interrupter (GFCI) protection.

16. **SECURITY REQUIREMENTS :**

A. All vendors, contractors or other persons accessing VDOT's CII/SSI material in any form shall be required to comply with VDOT's *CII/SSI Policy Guide for Employees, Vendors, Contractors or other Persons Accessing VDOT's CII/SSI*. This guide may be found at <http://www.virginiadot.org/business/const/CII-CriticalStructureInformation.asp>

B. A Criminal History Record Check (CHRC), through VDOT Personnel Security Section (PSS), shall be required of all employees of the Consultant and all subcontractors of the Consultant for work conducted at all other VDOT locations, where VDOT is directly responsible for the day-to-day management of staff, or the individual has unrestricted access to Critical Infrastructure (CI), Critical Infrastructure Information (CII), Sensitive Security Information (SSI), or Personally Identifiable Information (PII).

C. All costs for the CHRC will be the responsibility of the Consultant.

D. All individuals undergoing the CHRC shall be required to complete and sign any VDOT required forms necessary to release personal information or to agree to non-disclosure of VDOT critical, sensitive or personal information.

E. CHRC records search timelines vary depending on records found on file (if any). In the event non-favorable records exist, VDOT reserves the right to approve and deny issuance of any CHRC clearance. Upon denial, there are no available appeals.

F. Upon CHRC clearance and approval, Consultant and subcontractor (if any) personnel shall be required to obtain a VDOT issued access identification badge prior to working on VDOT's premises, unless a written waiver is approved by the PSS.

G. Consultant and subcontractor personnel shall wear VDOT-issued access identification badge at or above waist level on the outermost garment at all times while on VDOT's premises.

H. For safety concerns regarding the badge display requirement, the VDOT Personnel Security Section, Consultant Contracting Manager, Project Manager or designee may waive the above requirement. The Consultant's employees shall possess the VDOT access identification badge at all times to be available for display.

I. The Consultant shall return all VDOT access identification badges on the day any employee is no longer assigned to VDOT's premises and upon contract expiration. The Consultant shall notify the VDOT Consultant Contracting Manager within eight business hours upon discovery of any lost, stolen or damaged access identification badge. Failure to return access identification badges or notify the VDOT Consultant Contracting manager that an access identification badge has been lost, stolen or damaged may be cause for debarment. See: Commonwealth of Virginia, Vendor's Manual Section 7.20.

J. The Consultant shall be responsible for notifying the PSS whenever an employee or subcontractor employee is charged with any criminal violation. Notification shall be made no later than the next regular business day of finding.

K. In the event of loss, suspected loss or compromise of any VDOT CII/SSI material, the Consultant having possession of the said CII/SSI material will immediately upon having knowledge of the loss, suspected loss or compromise of any VDOT CII/SSI material, notify the VDOT project manager. If the loss is a result of a theft or suspected theft, of either the actual CII/SSI material or any device containing or storing CII/SSI material, the Consultant will immediately file a report with a law enforcement agency having jurisdiction and forward a copy of the report to the VDOT Project Manager.

17. **SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**

A. It is the goal of the Commonwealth that 42% of its purchases be made from small businesses. This includes discretionary spending in prime contracts and subcontracts. All offerors are required to submit a Small Business Subcontracting Plan. Unless the offeror is registered as a SBSB-certified DBE or SWaM business and where it is not practicable for any portion of the awarded contract to be subcontracted to other suppliers, the Consultant is encouraged to offer such subcontracting opportunities to SBSB-certified DBE or SWaM businesses. No offeror or subcontractor shall be considered a DBE or SWaM business unless certified as such by the Department of Small Business and Supplier Diversity (“SBSB”) by the due date for receipt of proposals. If DBE or SWaM business subcontractors are used, the prime contractor agrees to report the use of DBE or SWaM business subcontractors by providing the purchasing office at a minimum the following information: name of DBE or SWaM business with the SBSB certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, DBE, or minority-owned), and type of product/service provided.

B. Each prime contractor who wins an award in which a Small Business Subcontracting Plan is a condition of the award shall deliver to VDOT, on a quarterly basis, evidence of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the Small Business Subcontracting Plan. Upon completion of the Contract, the Consultant agrees to furnish VDOT at a minimum the following information: name of firm with the SBSB certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, DBE, or minority-owned),

and type of product or service provided. Payment(s) may be withheld until compliance with the plan is received and confirmed by VDOT. VDOT reserves the right to pursue other appropriate remedies for non-compliance to include, but not be limited to, termination for default.

C. Each prime contractor who wins an award valued over \$200,000 shall deliver to VDOT, on a quarterly basis, information on use of subcontractors that are not SBSB-certified DBE or SWaM businesses. Upon completion of the Contract, the Consultant agrees to furnish VDOT at a minimum the following information: name of firm, phone number, total dollar amount subcontracted, and type of product or service provided.

1. If the Consultant intends to subcontract work as part of its performance under this Contract, the Consultant shall include in the proposal a plan to subcontract to DBE or SWaM businesses.

18. **STATE CORPORATION COMMISSION IDENTIFICATION NUMBER:**

Pursuant to Code of Virginia, §2.2-4311.2 subsection B, an offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its proposal the identification number issued to it by the State Corporation Commission (SCC). Any offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the offeror is not required to be so authorized. Indicate the above information on the SCC Form provided. Consultant agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth's use and acceptance of such form, or its acceptance of the Consultant's statement describing why the offeror was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Consultant as demonstrating compliance.

19. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of VDOT. In the event that the Consultant desires to subcontract some part of the work specified herein, the Consultant shall furnish VDOT the names, qualifications and experience of its proposed subcontractors using the form attached to the Contract as Attachment F. The Consultant shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the Contract.
20. **TERMINATION OF CONTRACT:**
If the Consultant fails to provide quality goods or services in a professional manner and in accordance with applicable laws, regulations or proposal provisions, solely as determined by VDOT and, upon receipt of notice from VDOT does not correct the deficiency within a reasonable period of time (not to exceed seven (7) calendar days unless otherwise agreed to by VDOT), VDOT reserves the right to terminate the Contract by giving written notice to the Consultant. Upon termination VDOT may procure the services from another contractor in accordance with the Default term within the General Terms and Conditions.
21. **COMPLIANCE WITH LAW:**
The Consultant shall observe and comply with all federal, state, and local laws, regulations, ordinances, orders and decrees applicable to the services to be provided under the Contract, and shall indemnify, defend, and hold harmless the Commonwealth of Virginia, the Department, and all its officers, agents, and employees against any and all claims of liability arising from or based on the violation of any such law, regulation, order or decree, whether by the Consultant, employees of the Consultant, or any independent contractor engaged by the Consultant or associated with the Consultant in the performance of the work to be performed under this Contract, including the nondiscriminatory provisions set forth in Section C of the General Terms and Conditions attached to the Contract as Attachment A.
