- A link on the VDOT website will take you to the live streaming video of the bid letting. Please go to the Construction and Maintenance webpage and click on the first announcement; or you can go to the VDOT Business page and click on the icon in the top right corner. Both will take you to the letting instructions and information.

At 10:00 a.m., downloading of the bids from the BidX server will begin. While that is taking place you will see a poster that states that you are at the bid letting. Downloading the bids usually takes about 10 to 15 minutes to complete. Once the bids are downloaded, bid reading will begin. Therefore the actual reading of the bids will begin after 10:10 AM.

- **Revision to FHWA-1273 Concerning Employee Social Security Numbers and Addresses on Payroll Submissions:**

On January 18, 2009, the final rule for US Department of Labor regulations revising 29 CFR Parts 3 and 5 became effective. The final rule requires the contractor when submitting weekly payrolls to provide all required information except that full social security numbers and home addresses shall not be included, thus protecting the worker's privacy. The **FHWA 1273, Memorandum and CFR Change** now included in bid proposals replaces Section V, Paragraph 2b of **FHWA 1273-Required Contract Provisions Federal-Aid Construction Contracts** with the following:

The payroll records shall contain the name, and the last four digits of the social security number of each such employee, his or her correct classification; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalent thereof the types described in Section 1(b)(2) (B) of the Davis Bacon Act); daily and weekly number of hours worked; deductions made; and actual wages paid.

- You can order plans and proposals via e-mail. Once you complete the form you may e-mail it to: [VDOTCOPlanRoom@VDoT.Virginia.Gov](mailto:VDOTCOPlanRoom@VDoT.Virginia.Gov)
- If you do not purchase paper plans or proposals from the VDOT plan room, VDOT cannot notify you of plan revisions. It is your responsibility to check in NOTICES on the VDOT advertisement page for Revisions.
- Notice that the approximate value of advertised work is included on the paper and website advertisement. This is the cash forecast estimate and **NOT** the Engineer's Estimate. It contains Engineering, State Force Work & Contingencies, as well as the construction costs. This should be used only to judge the relative size of the job.
- Electronic Plans are available during the advertisement cycle. This can help you decide whether you are interested in bidding on a job. You can look at the plans and proposal on-line before you buy paper plans on the website at [www.VDOT.Virginia.Gov/Business/Const](http://www.VDOT.Virginia.Gov/Business/Const). Click on the "Advertisement" link from the "Procurement Phase" activity list, then under the header "Falcon system" click on "E-plans/Proposals".
- Use CABB (Contractor's Advertisement Bulletin Board) to ask questions about a job. Just click on the "?" on the advertisement page. It is the only way to ask questions during advertisement. You must be a plan holder to ask questions. If no questions have been asked, the question mark is **BLUE**. It will be **RED** if questions have been asked.
- If you have questions about the website, please contact Mary Roane at (804) 786-2124.

### Notice to Bidders of eVA

The Governor has determined that all commerce with the Commonwealth of Virginia will utilize one central procurement portal that is common to all agencies. It is called eVa for electronic-Virginia. It is operated under the direction of the Department of General Services (DGS). All proposals contain a provision similar to the following:

**Section 102 eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION:** The eVA Internet electronic procurement solution, web site portal [www.eVA.virginia.gov](http://www.eVA.virginia.gov) streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All bidders must register in eVA prior to award of any contracts. **Failure to register will result in the contract not being awarded.**

- a. eVA Basic Vendor Registration Service Includes: electronic order receipt, vendor catalog posting, on-line registration, electronic bidding and the ability to research historical procurement data available in the eVA purchase transaction data warehouse.
- b. eVA Premium Vendor Registration Service Includes: all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments.

Vendor transaction fees are determined by the date the original purchase order is issued and are as follows:

To determine the Transaction Fee, go to <http://www.eva.virginia.gov/billing/pages/Current-eVA-Fee-Schedule.htm>

Transaction Fees are subject to change. Appropriate notification of any changes will be posted on the eVA website at <http://www.eva.virginia.gov/billing/index.htm>

The specified vendor transaction fee will be invoiced, by the Commonwealth of Virginia Department of General Services, approximately 30 days after the corresponding purchase order is issued and payable 30 days after the invoice date. Any adjustments (increases/decreases) will be handled through purchase order changes.

This provision requires firms to register with **eVa** and pay the Vendor Transaction fees specified. VDOT will continue to supply all the same services that we have always supplied, including e-mailing of the monthly advertisement schedule. If you are awarded a contract, your firm will be billed a Transaction fee by **eVa based on the information above.**

**NOTE:** The **eVa** system is completely separate from all other bidding requirements to participate in VDOT's construction program. All contractors still must be prequalified; and bidders must be enrolled in BidX.

**The contract will be awarded only if you are registered in eVa prior to execution of the contract.**
