NOTICE OF CII ADVERTISEMENT

JULY 23, 2019

Bid Letting

WEDNESDAY, AUGUST 21, 2019
Any contractor or supplier interested in bidding or obtaining any projects that have Critical Infrastructure Information/Sensitive Security Information (CII/SSI) in the plans is subjected to completing a Multi-Purpose Non-Disclosure Agreement (NDA). Part B of the agreement must be completed by an Authorized Agent once per project, per company. Authorized Agent is defined as an individual with signatory authority recognized by VDOT for said company.

In order to start this process, please send an email to the State Contract Engineer, Harold Caples, P.E at VDOTContracts@vdot.virginia.gov with the completed Multi-Purpose Non-Disclosure Agreement (NDA) along with a photocopy of the requestor’s government issued identification (i.e. driver’s license, passport, etc.) Please place in the subject field of the email “To Obtain CII Access.”

Once the NDA has been received and reviewed, the requestor should be granted electronic access to the proposal and/or plans within 2 business days.

Access to CII/SSI Information may be viewed through either ProjectWise Web Client or ProjectWise Explorer.
PART A: To Be Completed By Individual VDOT or Company Employee

I agree with the following as a condition of being granted access to CII/SSI:

- CII/SSI, which is valuable and sensitive, is protected by law and by strict VDOT policies. The intent of these laws and policies is to assure that CII/SSI will remain confidential - that is, it will be used only as necessary to accomplish VDOT’s mission. Disclosure of CII/SSI in any manner that permits interception by unauthorized persons could compromise safety and security and is prohibited. CII/SSI may be released only to persons with a need-to-know.

- I might have access to this information in various formats including but not limited to documents and drawings, physical structures, and computer based systems. I have no right or ownership interest in any VDOT CII/SSI.

- VDOT may at any time revoke my authorization allowing access to CII/SSI.

- Willful violation of this agreement may subject me to discipline which might include, but is not limited to, removal from current VDOT projects.

Each provision of this agreement is severable. If any administrative or judicial tribunal should find any provision of this agreement to be unenforceable, all other provisions shall remain in full force and effect.

I make this agreement in good faith, without mental reservation or purpose of evasion.

**Protection** - CII/SSI shall be protected at all times, either by appropriate storage or having it under the personal observation and control of a person authorized to receive it. Each person who works with protected CII/SSI is personally responsible for taking proper precautions to ensure that unauthorized persons do not gain access to it.

**Use and Storage** - During working hours, reasonable steps shall be taken to minimize the risks of access to CII/SSI by unauthorized personnel. Notice to Bidders of eVA

The Governor has determined that all commerce with the Commonwealth of Virginia will utilize one central procurement portal that is common to all agencies. It is called eVA for electronic-Virginia. It is operated under the direction of the Department of General Services (DGS). All proposals contain a provision similar to the following:

**Section 102 eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION:** The eVA Internet electronic procurement solution, web site portal [www.eVA.virginia.gov](http://www.eVA.virginia.gov) streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All bidders must register in eVA prior to award of any contracts. **Failure to register will result in the contract not being awarded.**

- a. eVA Basic Vendor Registration Service Includes: electronic order receipt, vendor catalog posting, on-line registration, electronic bidding and the ability to research historical procurement data available in the eVA purchase transaction data warehouse.

- b. eVA Premium Vendor Registration Service Includes: all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments.

Vendor transaction fees are determined by the date the original purchase order is issued and are as follows:

To determine the Transaction Fee, go to [http://www.eva.virginia.gov/billing/pages/Current-eVA-Fee-Schedule.htm](http://www.eva.virginia.gov/billing/pages/Current-eVA-Fee-Schedule.htm)

Transaction Fees are subject to change. Appropriate notification of any changes will be posted on the eVA website at [http://www.eva.virginia.gov/billing/index.htm](http://www.eva.virginia.gov/billing/index.htm)

The specified vendor transaction fee will be invoiced, by the Commonwealth of Virginia Department of General Services, approximately 30 days after the corresponding purchase order is issued and payable 30 days after the invoice date. Any adjustments (increases/decreases) will be handled through purchase order changes.

This provision requires firms to register with eVA and pay the Vendor Transaction fees specified. VDOT will continue to supply all the same services that we have always supplied. If you are awarded a contract, your firm will be billed a Transaction fee by eVA based on the information above.

**NOTE:** The eVA system is completely separate from all other bidding requirements to participate in VDOT’s construction program. All contractors still must be prequalified; and bidders must be enrolled in BidX.

The contract will be awarded only if you are registered in eVA prior to execution of the contract.

To determine the Transaction Fee, go to http://www.eva.virginia.gov/billing/pages/Current-eVA-Fee-Schedule.htm

Transaction Fees are subject to change. Appropriate notification of any changes will be posted on the eVA website at http://www.eva.virginia.gov/billing/index.htm

The specified vendor transaction fee will be invoiced, by the Commonwealth of Virginia Department of General Services, approximately 30 days after the corresponding purchase order is issued and payable 30 days after the invoice date. Any adjustments (increases/decreases) will be handled through purchase order changes.

This provision requires firms to register with eVA and pay the Vendor Transaction fees specified. VDOT will continue to supply all the same services that we have always supplied. If you are awarded a contract, your firm will be billed a Transaction fee by eVA based on the information above.

NOTE: The eVA system is completely separate from all other bidding requirements to participate in VDOT’s construction program. All contractors still must be prequalified; and bidders must be enrolled in BidX.

The contract will be awarded only if you are registered in eVA prior to execution of the contract.
