Gentlemen:

The Commonwealth of Virginia Transportation Board on July 20, 2011 approved the award of a contract for construction on the above project, based on your bid of \$8,790,000.00 submitted on June 22, 2011. When specified in the contract, the award is conditional pending receipt of required Disadvantage Business Enterprise information. The execution of this contract is subject to any necessary concurrence of the Federal Highway Administration and other pertinent authorized agencies, if applicable.

If this contract contains the Special Provision "Prices Adjustment for Steel" you are reminded that you have 15 days from the date of this letter to notify the District Construction Engineer with a copy to the Contract Engineer of your intentions to participate in this provision and to supply the documentation required by this special provision.

You will be advised of final execution of the contract by the Department.

Sincerely,

 FOR

Don E. Silies
State Construction Contract Officer
Assistant Division Administrator, Scheduling and Contract Division
