UCI WORKGROUP UPDATE

- URBAN CONSTRUCTION INITIATIVE (UCI) GOALS STRATEGIC PLAN- UPDATE FY2018

ACCOMPLISHMENT DOCUMENT

- Goal- Prepare a document that lists all the accomplishments(Project and Program level) of the UCI Program since the program was established in 2003. Include list of UCI accomplishments on LAD UCI website
- Reason- Will assist VDOT and Local Staff in briefing Executive Management on the accomplishments and value of the UCI program since establishment in 2003
- Status- Not Started

PROGRAMMATIC CHANGES TO THE PROGRAMS TO INCREASE EFFICIENCY AND EFFECTIVENESS OF OUR PROGRAMS

MODIFIED PROGRAMMATIC AGREEMENT

- Modify the UCI Programmatic Agreement to expand for specialty funded programs (i.e include CMAQ, RSTP, HSIP, SGR, Smart scale, Revenue Sharing etc...)
- Reason- This would eliminate having to execute a separate agreement for each specialty funded project which could save time at the beginning of the project development
- Status- Not Started

COMPLETENESS REVIEW CHECKLIST

- Create comprehensive checklist for right of way and construction phase submittals that outline the minimal submittal requirements
- Reason- To ensure localities submit all items in one package that VDOT needs to authorize approvals.
- Status- Progress submitted to be reviewed by the workshop

UCI CERTIFICATION GUIDE

- Continue to establish processes and tools for localities that are members of the UCI certification program
- Reason- UCI still the “cutting edge” of local programs with the UCI Certification remaining a priority and ultimate implementation of the “risk based approach”.
- Status- Ongoing

UCI PROGRAM

- Develop/Review UCI Tiered Certification
- Reason- To continue to gain involvement in the program and improve benefits for UCI localities.
- Status- Not Started
