

Project Number	Project Name	UPC Number	VDHR File Number	Lead Federal Agency	Other Federal Agency with Jurisdiction	City/County	District	Project Description	Basis for Determination of NHPPA	Effect Determination Date
00000-127-24888316	4th St. over I-95 - Bridge Strike	-	-	FHWA	NONE	Richmond (City)	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/23/2020
00000-156-24775526	Culpeper District BMP Retrofit - BMP 30012 Warrenton	-	-	USACE	NONE	Warrenton	Culpeper District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/15/2020
00000-805-24864244	Hurricane Isaias	-	-	USACE		Hampton Roads District Wide	Hampton Roads District		Other: The emergency repairs to damage caused by a tropical storm and a hurricane will be to roads and bridges and will not have an effect on historic properties. All emergency repair locations will be reviewed to determine that there will be no effect.	9/28/2020
00001-012-24881594	RTE 1 Meredithville Pipe Replacement Brunswick	-	-	USACE		Brunswick	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/22/2020
00010-090-24842518	Emergency Repair TS Kyle 9100 Colonial Trail E Surry Co	-	-	USACE		Surry	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00010-090-24843657	Emergency Repair TS Kyle 5639 Colonial Trail W Surry Co	-	-	FHWA	USACE	Surry	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00010-090-24843688	Emergency Repair TS Kyle 5104 Colonial Trail W Surry Co	-	-	FHWA	USACE	Surry	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00014-049-23572528	Scour repair -Rt 14- Dickeys Swamp (FHWA) Hurricane Michael	-	-	FHWA	USACE	King & Queen	Fredericksburg District		Other: Upstream end of culvert has scour and undermining. State forces has repaired hurricane damage on 10/15/18. The culvert structure does not meet the 50yr age criterion, and thus is not eligible for the NRHP. The project is within the Walkerton Battlefield 2014 ABPP defined Potentially NRHP eligible area of the battlefield. The project will not diminish any aspects of integrity that may qualify the battlefield for the NRHP. All activity is within the previously disturbed VDOT R/W.	9/1/2020

00015-032-24855537	#883 Rte. 15 Pipe Replacement Palmyra AHQ's	-	USACE	NONE	Fluvanna	Culpeper District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/4/2020
00015-058-24882284	Rte. 15 over NS Railway (Joint Repair)	-	FHWA		Mecklenburg	Richmond District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/23/2020
00021-098-24854709	0021-098-365100-811101	-	USACE	NONE	Wythe	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/3/2020
00040-033-24877869	Route 40 #1018 Flow Line Repair	-	USACE		Franklin	Salem District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/23/2020
00044-098-24839468	F044-098-365721-805223	-	USACE	NONE	Wythe	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/3/2020
00058-012-24881947	Rte. 58 EBL over Rte. 58 Business (Joint Repair)	-	FHWA		Brunswick	Richmond District	Other: Project effects are limited to (1) the existing right-of-way which has been previously disturbed, and (2) a bridge determined not individually eligible for the NRHP pursuant to the Sept. 2017 Bridge MOA between VDOT and VDHR (as amended in June 2018). Additionally, the project right-of-way is not located within a battlefield or historic district recorded in V-CRIS and does not contain any previously identified archaeological sites.	9/22/2020
00060-020-24860370	Rte. 60 over Rte. 288 & Coll Dist Rds (Joint Repair)	-	FHWA		Chesterfield	Richmond District	Project effects are limited to a bridge less than 50 years old and adjacent right of way, which has been previously disturbed and does not contain any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/14/2020
00060-062-24857969	Str 1950 Deck Patching; Rte 60 Nelson Co. over James River	-	FHWA	NONE	Nelson	Lynchburg District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/9/2020
00060-072-24859807	Rte. 60 over Sallee Creek (Joint Repair)	-	FHWA		Powhatan	Richmond District	Project effects are limited to a bridge less than 50 years old and adjacent right of way, which has been previously disturbed and does not contain any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/14/2020

00081-007-24859658	0081-007 Box Culvert Cleanout (MM 230.8)		-	USACE		Augusta	Staunton District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/17/2020
00081-007-24859913	0081-007 Box Culvert Cleanout (MM 231.1)		-	USACE		Augusta	Staunton District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/23/2020
00081-080-24594706	Pipe Maint in Advance of UPC 116201		-	FHWA			Salem District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/23/2020
00095-020-24841316	I-95 over Swift Creek 08/2020 Emergency Repairs		-	USACE	FHWA	Chesterfield	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/1/2020
00095-804-24867185	Rte. 95 over Rte. 10, Chesterfield Co. (steel repairs)		-	FHWA		Richmond District Wide	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/21/2020
00250-045-24722937	0250-045 Shoulder Repairs (0.09 & 0.14 ME Rt 678)		-	USACE		Highland	Staunton District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/2/2020
00288-020-24860601	Rte. 288 SBL over Norfolk Southern Railway (Joint Repair)		-	FHWA		Chesterfield	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/15/2020
00288-020-24862305	Rte. 288 NBL over Norfolk Southern Railway (Joint Repair)		-	FHWA		Chesterfield	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/18/2020
00295-074-24870959	RTE 295 culvert repair access rd Prince George		-	USACE	NONE	Prince George	Richmond District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/14/2020
00360-041-24865118	Structure 1022 Winn Creek; Rte 360-041; Post/Railing Repairs		-	FHWA	NONE	Halifax	Lynchburg District		Other: This project consists of post and railing repairs to Bridge #1022 and has no potential to affect historic properties.	9/9/2020
00360-041-24867453	Str 1023 Rte 360-041; Post/Rails/Curbing Repairs		-	FHWA	NONE	Halifax	Lynchburg District		Other: This project consists of routine repairs of Bridge 1023 (DHR #041-5007) posts, rails and curbing and has no potential to affect historic properties.	9/16/2020
00460-067-24846375	RTE 460 Crew pipe bore 24 inch 62 ft 8 2020		-	USACE		Nottoway	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/3/2020
0050-M10-010	Route 50 Corridor Improvements - Loudoun and Fairfax	114828	-	FHWA	NONE	Northern Virginia District Wide	Northern Virginia District	ROUTE 50 CORRIDOR IMPROVEMENTS - LOUDOUN & FAIRFAX	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/29/2020

0058-101-902	Gilley Avenue Shoulder Widening	110879	-	FHWA	NONE	Big Stone Gap	Bristol District	#SMART18 - Gilley Ave. Shoulder Widening	Other: DHR concurred no eligible structures within the project APE on 9-10-20 Based on Public Hearing plans, dated 7/15/20, proposed TCE at western terminus has been previously disturbed by former visitor center, paved parking lot, and drainage improvements. The proposed PUE on north side of roadway is for an existing overhead power line. The proposed fee simple RW on south side of roadway for entire project length is along steep, rocky hillside mapped as Berks-Westmoreland complex, 35-55% slopes and has little or no potential for intact deposits. No further archaeological study is warranted	9/10/2020
00600-034-24876298	0600-034-6067 Pipe Lining (0.05 MN Rt 604)		-	USACE		Frederick	Staunton District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/16/2020
00600-034-24876321	0600-034-6174 Pipe Lining (0.20 MS Rt 604)		-	USACE		Frederick	Staunton District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/16/2020
00600-076-24865066	2100 Mountain Rd		-	USACE		Prince William	Northern Virginia District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00601-013-24878718	0601-013-371738-821015		-	USACE	NONE	Buchanan	Bristol District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/23/2020
00601-077-24892119	Rte. 601 Little Creek Rd Pipe Replacements - #2056 & #1909		-	USACE		Pulaski	Salem District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/30/2020
00602-033-24756999	Rt 602 Callaway Rd 30 LF Bank Stabilization		-	USACE		Franklin	Salem District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/15/2020
00602-046-24851207	Rte. 602 over Chuckatuck Ck. 602-046-6007		-	USACE	NONE	Isle of Wight	Hampton Roads District		Project effects are limited to a bridge less than 50 years old and adjacent right of way, which has been previously disturbed and does not contain any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/14/2020

00603-092-24886558	0603-092-365944-814736	-	USACE	NONE	Tazewell	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/22/2020
00604-013-24841797	9999-961-558, B618 - Va. Str. # 6119 - Buchanan - CTO20087	-	FHWA		Buchanan	Bristol District	Project effects are limited to a bridge less than 50 years old and adjacent right of way, which has been previously disturbed and does not contain any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/1/2020
00607-072-24833272	RTE 607 Bernards Creek St.#6007 Scour Repairs Powhatan	-	USACE		Powhatan	Richmond District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/10/2020
00608-088-24825543	Massaponax Church Rd Pipe Replacement	-	USACE	NONE	Spotsylvania	Fredericksburg District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/15/2020
00608-090-24841539	Emergency Repair TS Kyle 2831 Oak Hill Rd Surry Co	-	FHWA	USACE	Surry	Hampton Roads District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00609-013-24879025	0609-013-371740-821159	-	USACE	NONE	Buchanan	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/22/2020
00611-002-24841234	#879 Rte. 611 Pipe Replacement Yancey Mills	-	USACE	NONE	Albemarle	Culpeper District	Other: Although found within the boundaries of the NRHP-listed Greenwood-Afton Rural Historic District (DHR No. 002-5075), the proposed activity, the in-kind replacement of an existing drainage pipe, has no potential to alter or diminish the important features of the historic resource.	9/1/2020
00611-006-24851267	Route 611-06 Paradise Rd. pipe replacement 2020	-	USACE	NONE	Appomattox	Lynchburg District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/16/2020
00611-006-24854635	Rt. 611-06 Colemans Mill Rd pipe replacement 2020	-	USACE	NONE	Appomattox	Lynchburg District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/21/2020
00611-017-24894680	Route 611 Streambank Stabilization	-	USACE		Carroll	Salem District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/30/2020

00613-007-24842644	0613-007-6032 Truss Bridge Replacement (0.23 ME Rt 747)	-	USACE		Augusta	Staunton District		Other: Based on a 1973 study of truss bridges in the state, DHR determined this bridge not eligible in 1997.	9/9/2020
00613-056-24705228	Rte. 613 over the Conway River Bank Repair	-	USACE		Madison	Culpeper District		Project effects are limited to a bridge less than 50 years old and adjacent right of way, which has been previously disturbed and does not contain any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/15/2020
00614-009-24725392	Rt 614 Sheep Creek Road 24" Double Line Replacement	-	USACE		Bedford	Salem District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/8/2020
00619-076-24832517	Joplin Rd Emergency Bridge Replacement	-	USACE		Prince William	Northern Virginia District		Other: The c. 1958, 1995 reconstructed structure is located adjacent to the western boundary of Chopawamsic Recreation Demonstration Area (DHR No. 076-0299), a property listed on the NRHP. The proposed activity, emergency repairs to a flood damaged bridge, would have no effect on the significant characteristics of the expansive historic resource.	9/1/2020
00621-046-24829832	Emergency repair Rte 621 Burwells Bay TS Kyle repair	-	FHWA	USACE	Isle of Wight	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00621-049-23568214	Hurricane Michael-621-Dickeys Swamp(FHWA)	-	FHWA		King & Queen	Fredericksburg District		Other: The structure carrying Rte 621 does not meet the 50yr age criterion and is not eligible for the NRHP. The project limits also contain archaeological site 44KQ0080, a mill site that has not been evaluated for the NRHP eligibility. The project will be conducted within existing R/W that has been previously disturbed and there is little potential to encounter archaeological remains that may be archaeologically significant. The project will not diminish any aspects of integrity that may qualify 44KQ0080 for the National Register or Va Landmarks Register. No new R/W will be required for the project. Therefore, the project will not effect properties that may be eligible for the National Register. The project review was updated and the previous evaluation above remains valid for the project.	9/9/2020
00621-072-24900073	RTE 621 Solomans Creek St.#6010 Scour Repairs Powhatan	-	USACE		Powhatan	Richmond District			9/29/2020
00622-026-24856798	RTE 622 Dinwiddie twin 48 x 72 culvert replacement	-	USACE		Dinwiddie	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/4/2020

00623-081-24849349	0623-081 Pipe Replacements (Fredericksburg Road)	-	USACE		Rockbridge	Staunton District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/9/2020
00625-096-24885963	Twiford Pipe replacement	-	USACE		Westmoreland	Fredericksburg District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/22/2020
00626-035-24184192	RTE. 626 GILES - Fed Str. ID 08424/ VA Str. # 6022	-	USACE		Giles	Salem District		Other: Per the Program Comment for Common Post-1945 Concrete and Steel Bridge (Federal Register, Vol. 77, No. 222, November 16, 2012), bridge #6022 is a common bridge type not subject to Section 106 consideration of effects. All work is within existing ROW, which has little to no potential to contain significant archaeological resources.	9/30/2020
00626-058-24893754	RTE 626 Little Genito Creek St.#6234 Scour Repairs Meck.	-	USACE		Mecklenburg	Richmond District		The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/25/2020
00626-090-24841248	Emergency Repair TS Kyle 6470 Beaverdam Rd Surry Co	-	FHWA	USACE	Surry	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00627-090-24842386	Emergency Repair TS Kyle 156 Moonlight Rd Surry Co	-	FHWA	USACE	Surry	Hampton Roads District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00628-082-24844737	0628-082 Pipe Replacement (3.0 MS Rt 33) - 547 Homeplace Ln	-	USACE		Rockingham	Staunton District		The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/8/2020
00629-002-24839412	0629-002-6169 Doyle River	-	NONE	NONE	Albemarle	Culpeper District		Other: Although the structure meets the age criterion it is of a type, steel beam timber deck, that has been determined to be not individually eligible for NRHP inclusion. There are no known historic districts in the immediate vicinity. The existing roadway prism has been previously disturbed; the likelihood of intact, significant buried deposits is very low.	9/17/2020

00629-052-24849178	0629-052-364641-825649 Pipe Replacement	-	USACE	NONE	Lee	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/25/2020
00630-009-24615119	Rte. 630 - Emergency Bridge Replacement	-	USACE		Bedford	Salem District	Other: Per the 2017 Memorandum of Agreement between VDOT and the Virginia Department of Historic Resources concerning the eligibility of bridges for listing in the Virginia Landmarks Register and National Register of Historic Places, the VDHR concurred on June 23, 2017 that Bridge #6039 is not individually eligible for the NRHP. All work will be within existing, previously disturbed right of-way with little or no potential for intact archaeological deposits and no further study is warranted.	9/30/2020
00631-057-16510237	Route 631 Pipe Replacement - Mathews County	-	USACE	NONE	Mathews	Fredericksburg District	The project is a type of activity that does not have the potential to cause effects on historic properties, even if historic properties are present.	9/24/2020
00634-090-24841766	Emergency Repair TS Kyle 1095 Brownsview Rd Surry Co	-	FHWA	USACE	Surry	Hampton Roads District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/10/2020
00634-090-24842175	Emergency Repair TS Kyle 567 Highgate Rd Surry Co	-	FHWA	USACE	Surry	Hampton Roads District	Other: The culvert crossing of Lower Chippokes Creek is prescriptive right-of-way, meaning the northeast quadrant of the culvert is technically within the boundaries of Walnut Valley. The culvert was installed in 2019 and Section 106 coordination resulted in a No Adverse Effect. Now, this project is to replace base gravel and asphalt roadway that was washed away by Tropical Storm Kyle in August 2020. The replacement of this material within the prescriptive easement, while partially on the far southwestern corner of the historic property, will not alter any element of the historic property that makes it historic. This in-kind replacement will have no effect on the historic resource.	9/10/2020
00635-013-24891456	0635-013-371523-815122	-	USACE	NONE	Buchanan	Bristol District	The potential effects of the project are limited to existing right of way which has been previously disturbed and does not contain any structures over 50 years old or any archaeological sites or battlefields recorded in the DSS (for Civil War battlefields use ABPP proposed NRHP boundaries if available).	9/28/2020

99999-251-24479544	Install Signal - Church Street at Main Street	-	-	FHWA		Lawrenceville	Richmond District		Other: Based on a review of current plans, the project proposes to replace the existing traffic poles with one new signal pole. The project APE falls immediately adjacent to the NRHP/VLR listing Lawrenceville Historic District(251-5001). According to the plans, the existing pole adjacent to the historic district at southwest corner will be removed. A new pole will replace the existing one on the northeast corner of the intersection in front of the Lawrenceville Municipal Building. No right-of-way or acquisition is proposed inside the historic district, and no additional property over 50 years old was identified within the project APE. The project as currently designed will not have any effect on the existing historic properties. No previously identified sites have been identified within the project APE, which consists entirely of previously modified ground. No additional architectural or archaeological studies are required.	9/2/2020
