

**Route 29 Corridor Study
Campbell County
Public Information Meeting**

Thursday October 27, 2016, 4-6 p.m.

Hyland Heights Baptist Church, North Lobby – Entrance 1 (Portico)
11452 Wards Rd, Rustburg, VA 24588

Campbell County, the Central Virginia Metropolitan Planning Organization (CVMPO), and the Virginia Department of Transportation (VDOT) are continuing an analysis of the Route 29 / Wards Road Corridor to comprehensively plan for future roadway needs, including development of a strategy to address deficiencies. The process of developing this study includes the use of a professional facilitator and opportunities for stakeholder involvement. Your involvement will provide us information and concerns about the corridor, while also informing you about the corridor and its future needs.

The public's input on identification of issues along the corridor and potential solutions for the corridor has been invaluable and VDOT is sharing the study analysis with the public for feedback.

Stop by between 4 p.m. and 6 p.m. to view displays and learn about the project. County, VDOT, CVMPO and project team staff will be available to answer your questions.

Review project details at www.virginiadot.org, at the meeting, or during business hours at VDOT's Lynchburg District Office at 4219 Campbell Avenue in Lynchburg. Please call ahead at 434-947-6559 (TTY/TDD 711) to ensure appropriate personnel are available to answer questions.

Give your written comments at the meeting, or mail them by **November 10, 2016** to Mr. Rick Youngblood, Virginia Department of Transportation, 4219 Campbell Avenue, Lynchburg, 24501. You may also email rick.youngblood@vdot.virginia.gov. Please reference "Campbell County Route 29 Corridor Assessment" in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact the VDOT manager at the above phone number.
