

Campbell County Route 29 Corridor Study: Public Meeting Worksheet

We want to hear your ideas about the importance of this part of the Route 29 corridor – between Lynchburg city limits and Route 24 (Colonial Highway) – now and in the future.

In what ways do you use this part of the corridor?

What are some of the key functions and roles of the corridor – now and in the future?

*What do you like about what currently exists for this section of Route 29?
(You can use green sticky sheets to describe this and put it on the map.)*

*What don't you like about what currently exists for this section of Route 29?
(You can use pink sticky sheets to describe this and put it on map.)*

Campbell County Route 29 Corridor Study: Public Meeting Worksheet

How can this part of the Route 29 corridor best serve the longer-term needs of Campbell County, for the next 20 years?

How can this part of the Route 29 corridor best serve the longer-term needs of the larger region, for the next 20 years?

What specific ideas would you like to be considered in improving this corridor?
