

DENBIGH BOULEVARD BRIDGE REPLACEMENT OVER I-64 AND CSX RAILROAD

***Welcome to tonight's meeting.
Please sign in and take a brochure and comment sheet.
At tonight's meeting you can:***

- ✓ Review the proposed project***
- ✓ Discuss the project with our design team***
- ✓ Submit written or oral comments about the design***

Purpose and Need

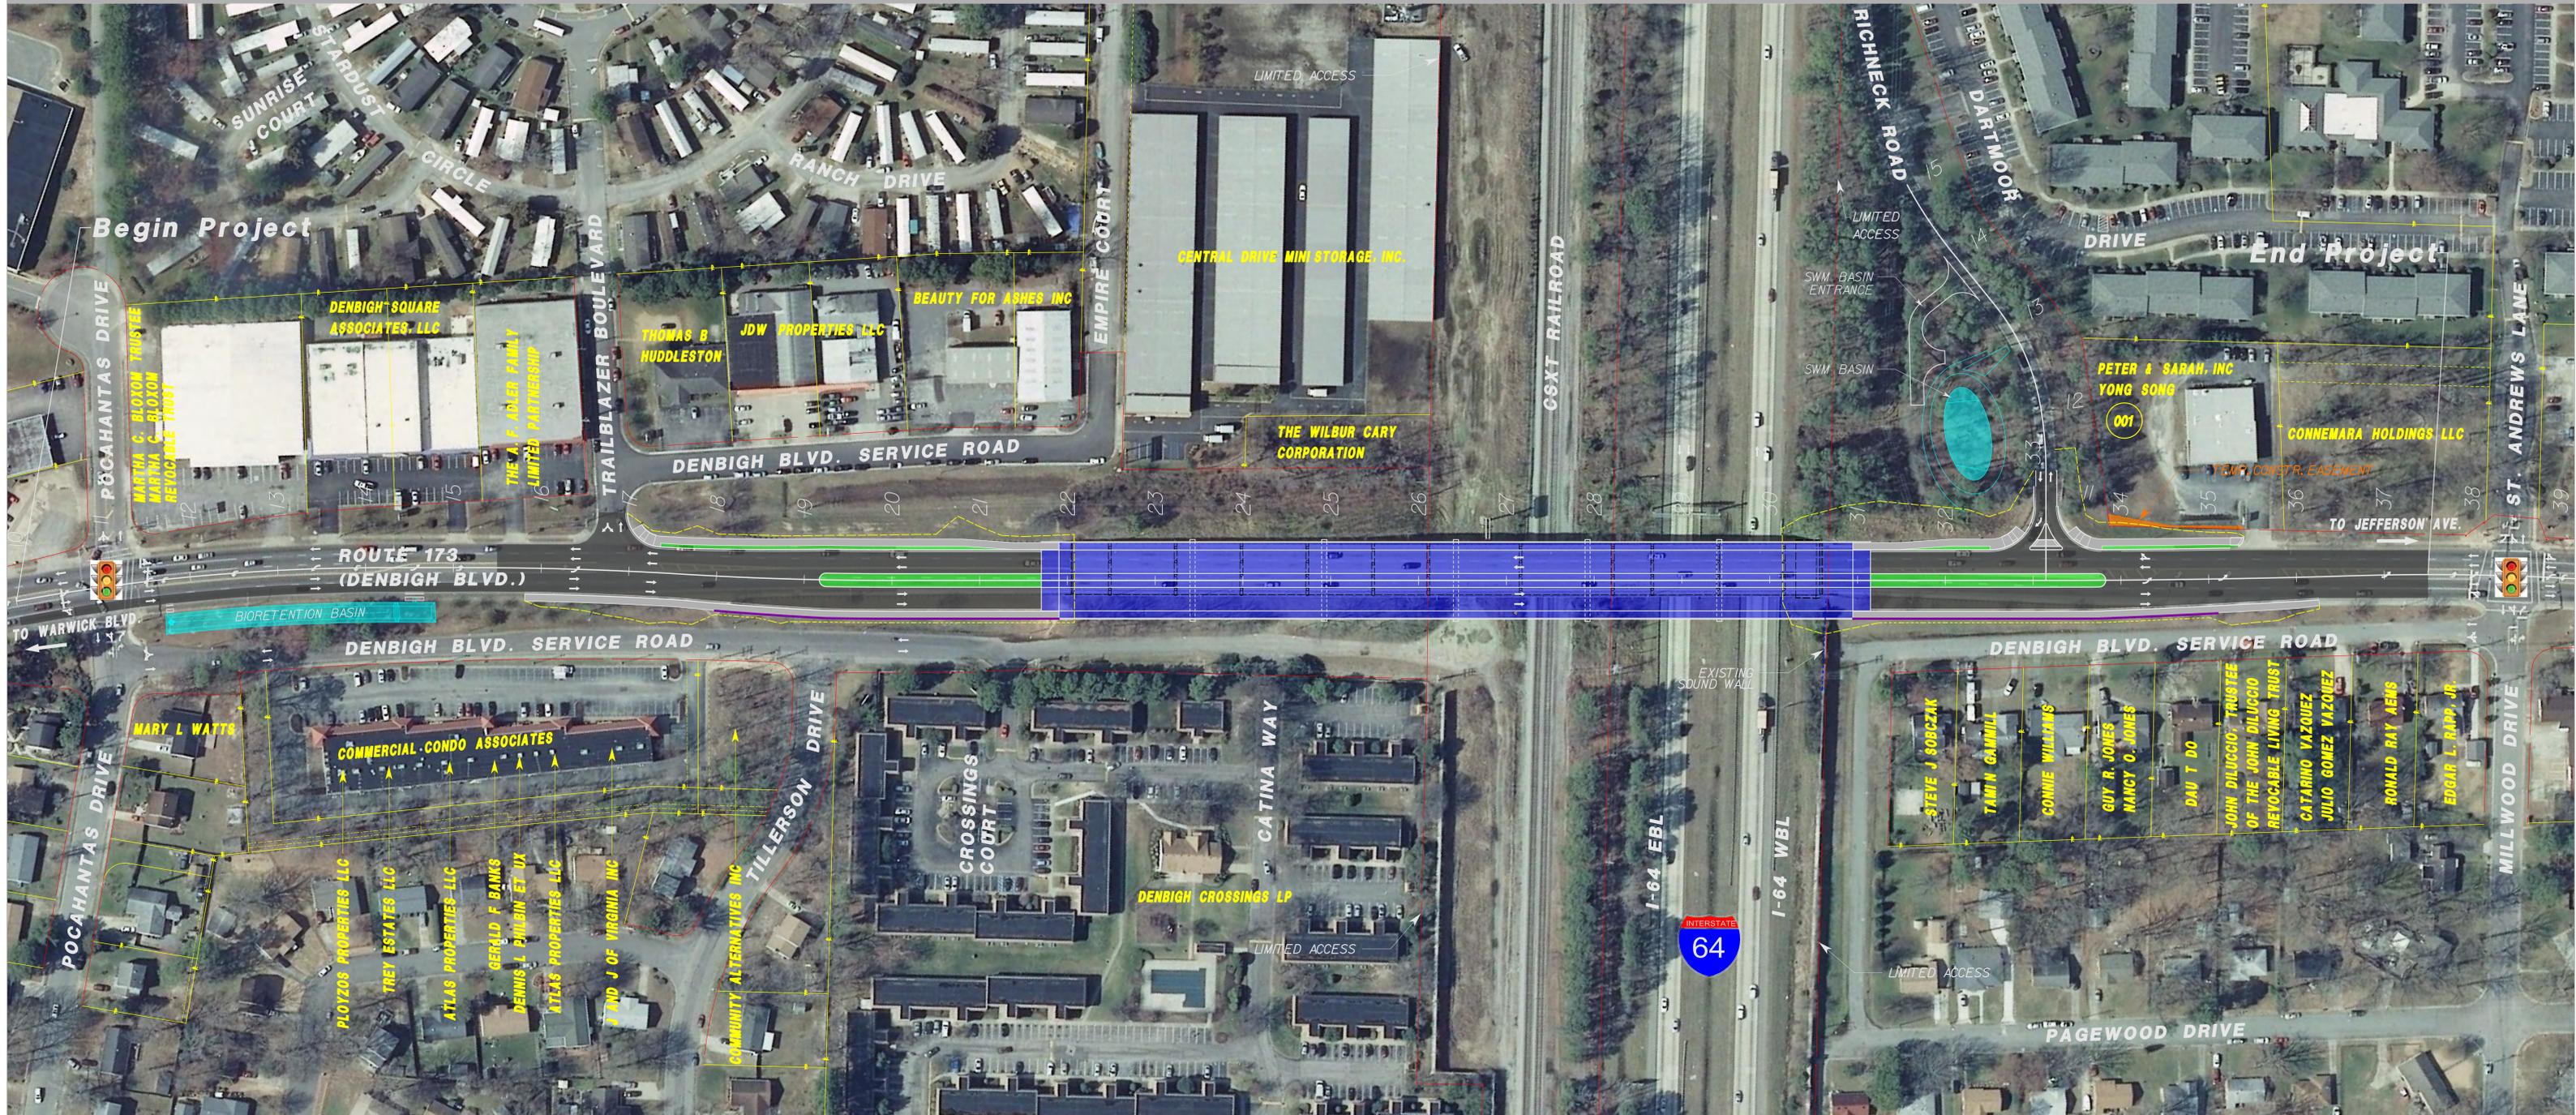

Denbigh Boulevard Bridge Replacement over I-64 and CSX Railroad

This project will address structural/settlement issues on the existing bridge and approach roadways. The existing structurally-deficient bridge will be replaced with a new 4-lane bridge that meets current design standards, and the existing approach roadways will be reconstructed using a lightweight fill material that will ensure long-term geotechnical stability.

Proposed Design

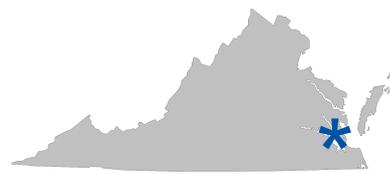

Denbigh Boulevard Bridge Replacement over I-64 and CSX Railroad

Project Location

North Arrow & Scale

Legend

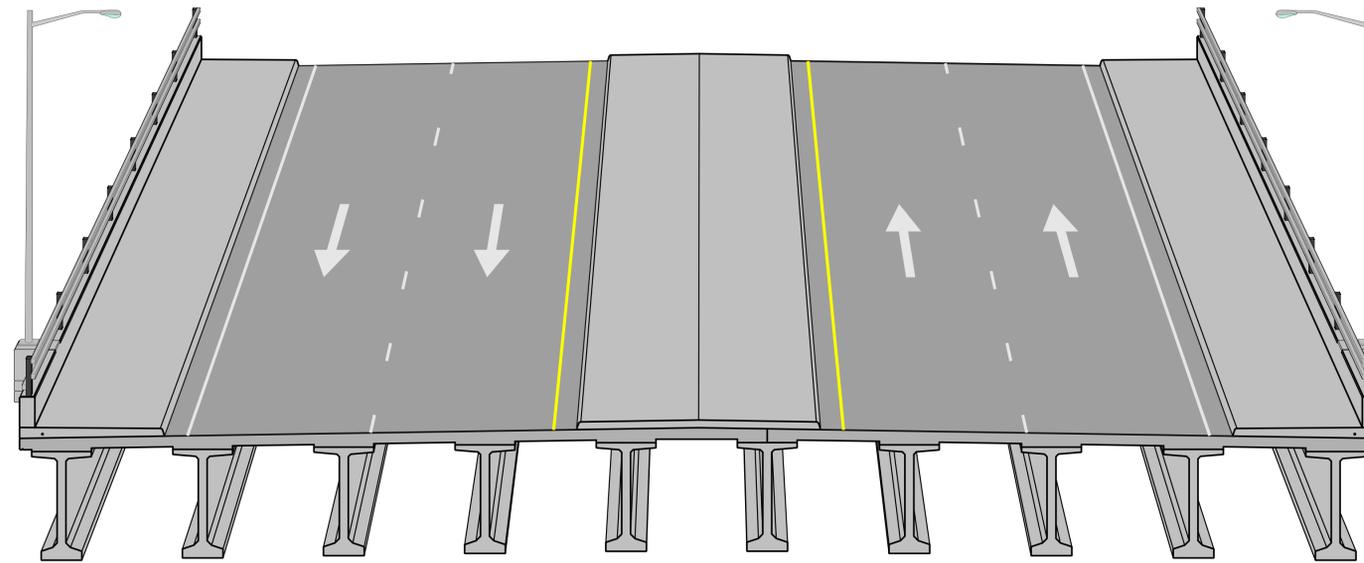

City of Newport News, Virginia
Hampton Roads District

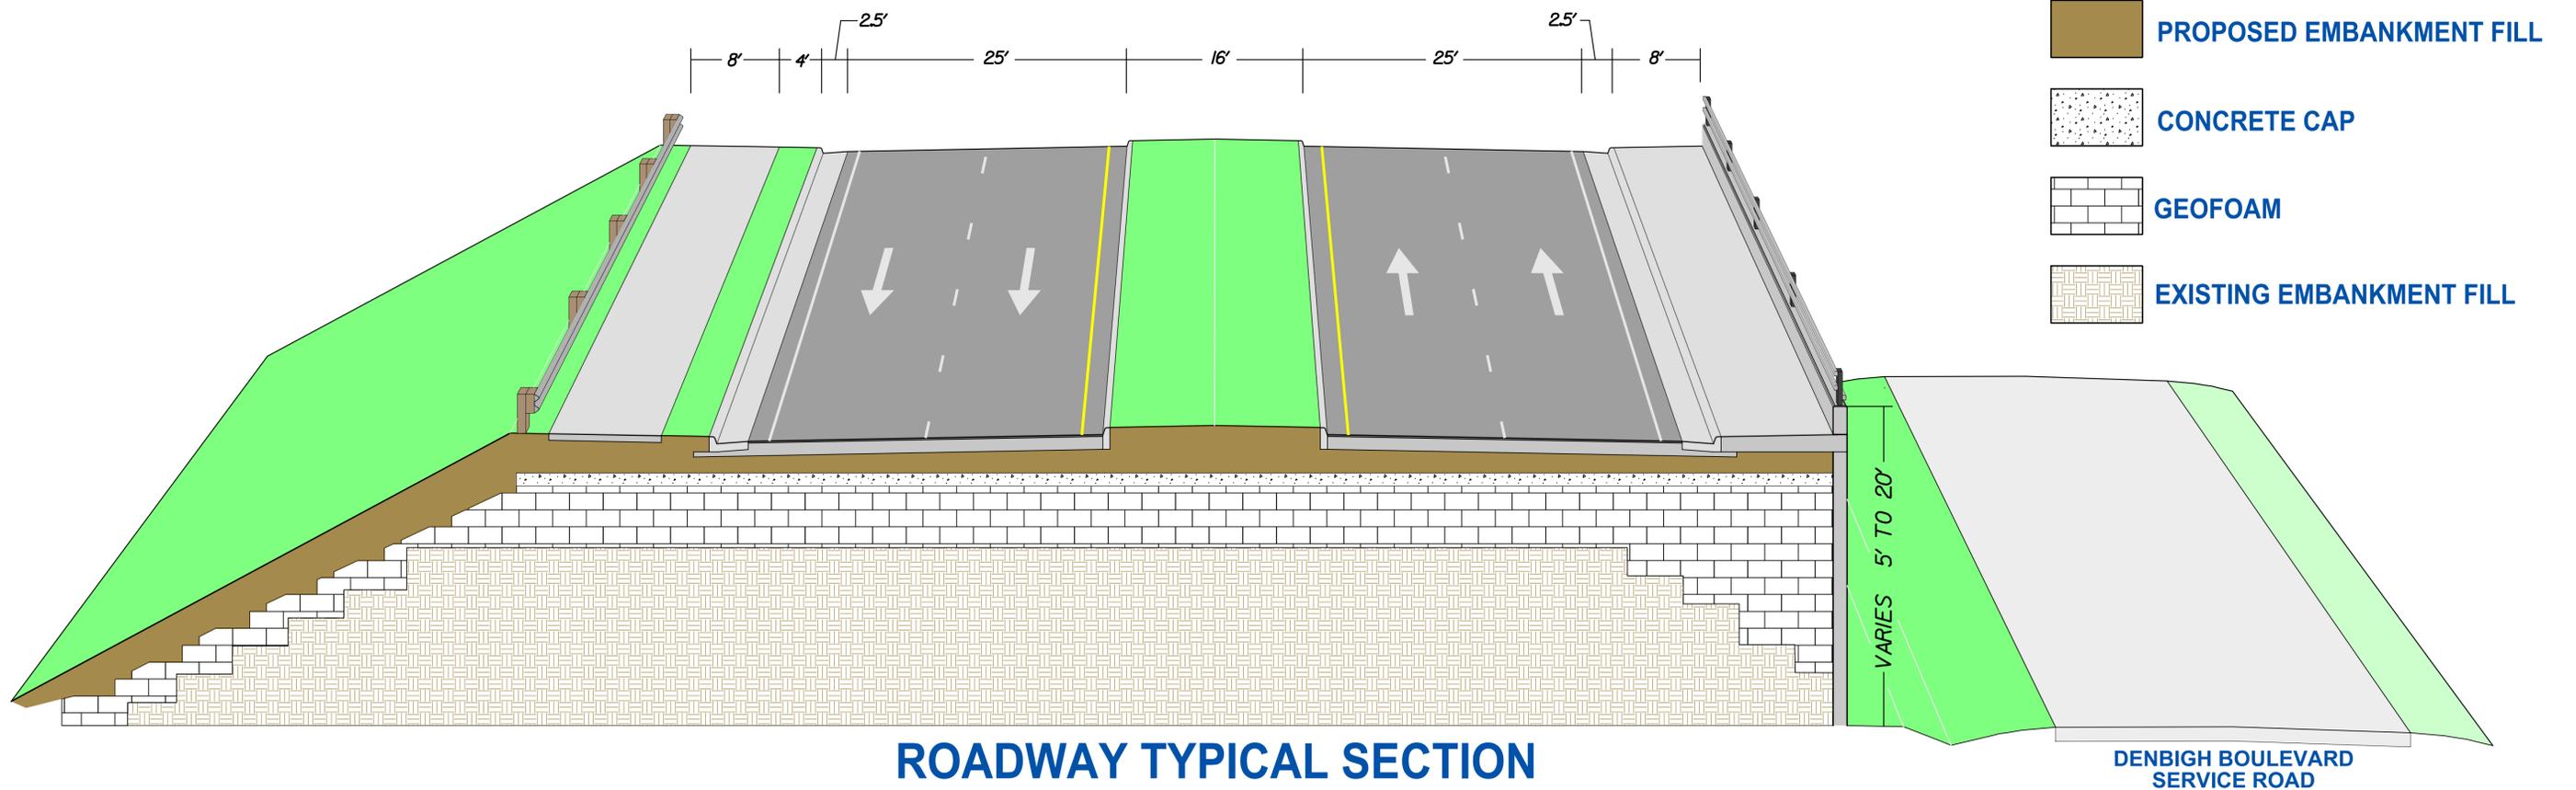

Proposed Road	Stormwater Management Basin	Property Line	Grass Median or Buffer Strip
Proposed Bridge	Existing Right of Way	Proposed Limits of Construction	Existing Signal
Proposed Sidewalk	Proposed Temp. Construction Easement	Proposed Retaining Wall	

Typical Sections

Denbigh Boulevard Bridge Replacement over I-64 and CSX Railroad

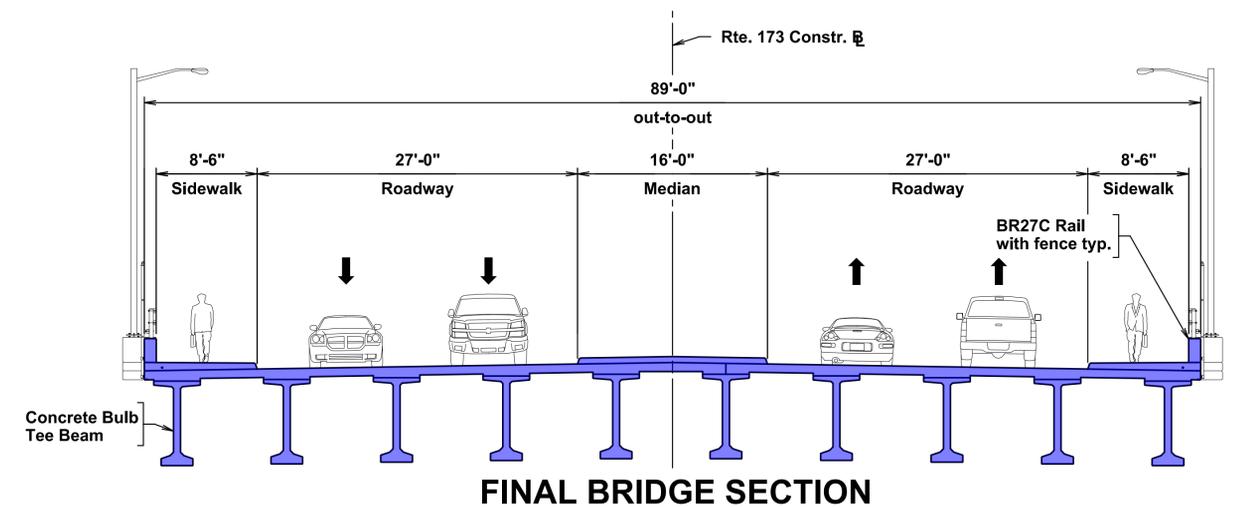

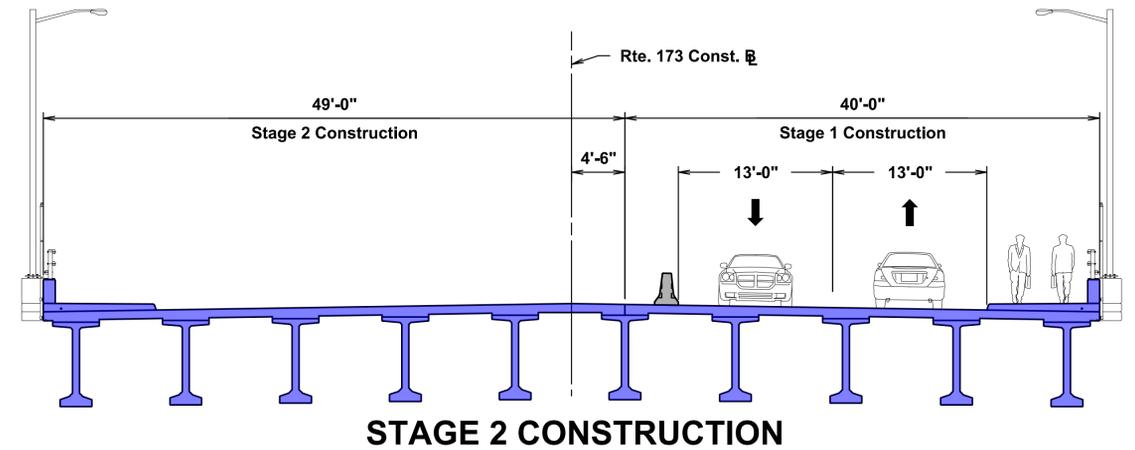

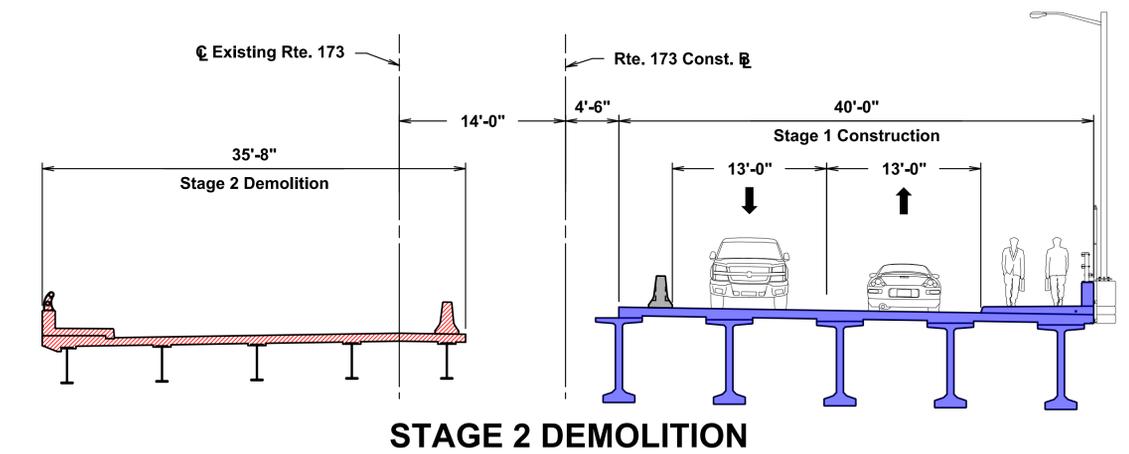

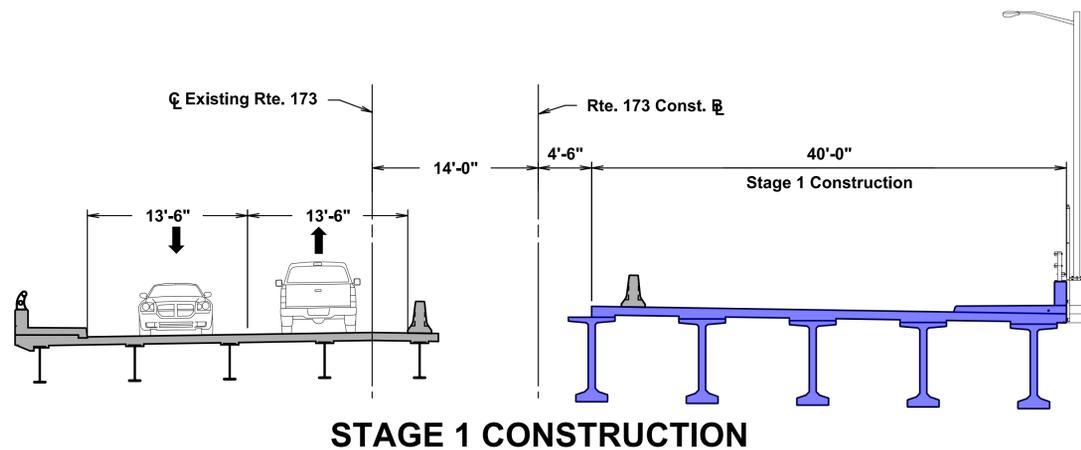

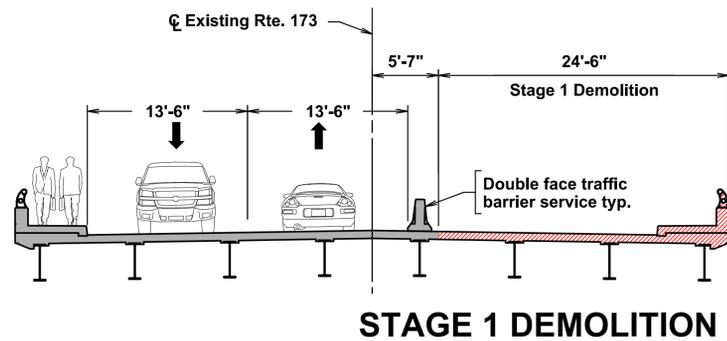

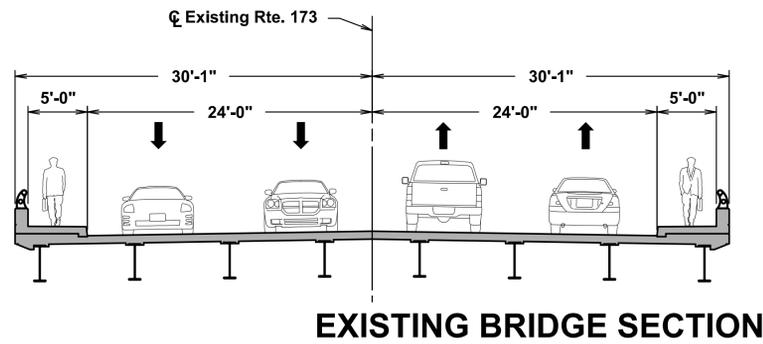

BRIDGE TYPICAL SECTION

ROADWAY TYPICAL SECTION

Maintenance of Traffic/Sequence of Constr.
