

**Military Highway
Continuous Flow Intersection (CFI)
City of Norfolk**
Design Public Hearing

Wednesday, September 10, 2014, 4:30 p.m. to 6:30 p.m.

Lake Taylor High School

1384 Kempsville Road, Norfolk, VA 23502

Find out about the proposed CFI at State Route 165 and US 13 (Military Highway and Northampton Boulevard) in Norfolk, Virginia. The CFI, part of the overall Military Highway widening project, is a new type of high-volume intersection design that improves traffic flow through an intersection by moving left turning vehicles away from the main intersection.

Review available project information and the National Environmental Policy Act documentation at the public hearing or at VDOT's Hampton Roads District office at 1700 North Main Street in Suffolk, 757-925-1660, or TTY/TDD 711. Please call ahead to ensure the availability of personnel to answer your questions. Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above addresses and will be available at the public hearing.

Give your written or oral comments at the meeting or submit them by September 24, 2014 to Mr. Frank Fabian, P.E., Senior Project Manager, VDOT Project Management Office, 1992 South Military Highway, Chesapeake, Virginia 23320, (757) 494-5483, or email Frank.Fabian@vdot.virginia.gov. Please reference "Military Highway CFI Project" in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. For more information or special assistance for persons with disabilities or limited English proficiency, contact VDOT's Civil Rights Division at 757-925-2500 or TTY/TDD 711.
