

LABOR DAY 2018

VDOT will lift most lane closures for holiday travel from noon Friday, Aug. 31, until noon Tuesday, Sept. 4. However, motorists may encounter semi-permanent work zones or travel delays in the following locations:

Amherst County

Route 29 Business – Replacing median barrier. Lane closures will occur.

Route 151 (Route 601 - county line) – Widening shoulders, installing rumble strips. Lane closures will occur.

Appomattox County

Route 460 Bypass – Recycling current surface and overlaying. Temporary lane closure; concrete barrier in place. Width restriction is 11 feet.

Botetourt County

Route 11 - Replacing two existing bridges on Route 11 over Tinker Creek at Route 838 (Vista Drive) and Route 1039 (Gibson Lane). Lane closures and new traffic pattern in place. Width restriction for wide loads.

Route 220 – Making safety improvements between Eagle Rock and Iron Gate. Lane and shoulder closures with flaggers are possible. Speed limit reduced to 45 mph in work zone.

Buckingham County

Route 20 – Widening pavement, installing rumble strips and replacing guardrail. Traffic controlled by flaggers and pilot vehicle. Temporary lane closures possible.

Campbell County

Route 24 – Constructing roundabout at intersection with Route 646. Truck traffic over 44 feet in length restricted. Temporary lane closures possible.

Chesterfield County/Henrico County

I-295 – Restoring Varina-Enon Bridge over the James River. North and southbound left lanes are closed.

Fredericksburg

I-95 – Improving interchange at Exit 130 (Route 3). All travel lanes open; concrete barriers in place along the shoulder northbound and southbound in work zone. Be alert for new traffic signal and traffic pattern at the exit ramp from I-95 south to Route 3 west.

Lynchburg

Liberty Mountain Drive – Constructing roundabout. Ramp to eastbound Route 460 closed.

Odd Fellows Road – Completing paving, entrances, and utility work associated with road reconstruction. Temporary lane closures may occur.

Mecklenburg County

Route 1 – Repairing I-85 bridge at Exit 15 over Route 1. Southbound right lane is closed between Union Mill Road and Alpine Road.

Montgomery County

Route 460 – Making safety improvements on Route 460 (North Main Street) in Blacksburg. Lane and shoulder closures possible.

Route 460 Bypass – Constructing new ramp onto Route 460 Bypass. Lane closure on ramp to eastbound business bypass and shoulder closures on the westbound flyover ramp.

Newport News/Williamsburg

I-64 – Widening interstate. Speed limit reduced to 55 mph in work zone in both directions.

Prince Edward County

Route 460 – Milling and paving westbound during overnight hours. Lane closures in place.

Pulaski/Montgomery County

I-81 – Replacing northbound bridge over the New River at the Pulaski/Montgomery County line. Shoulders closed between mile markers 103 and 105. Speed limit reduced to 60 mph in work zone.

Rockingham County

Route 257 – Replacing bridge over Dry River. Single-lane traffic is controlled by temporary signal. Width restriction is 13 feet.

Rockingham/Page County

Route 602 – Rehabilitating bridge over South Fork Shenandoah River. Temporary signals control traffic. Width restriction is 10 feet.

Scott County

Route 23 – Replacing northbound bridge over North Fork Holston River in the Wadlow Gap area. Traffic restricted to one lane in both directions, sharing the southbound bridge.

Shenandoah/Warren County

Route 11 – Replacing bridge over Cedar Creek at the Shenandoah/Warren County line. Possible daytime lane closures and slow-moving heavy equipment.

Spotsylvania County

I-95 – Improving the Exit 118 (Thornburg) interchange and replacing the I-95 overpass. All travel lanes open; concrete barriers in place along the shoulder northbound and southbound in work zone.

Stafford County

I-95 – Improving interchange at Exit 140 (Courthouse Road). All travel lanes open; concrete barriers in place along the shoulder northbound and southbound in work zone.

Stafford County, Fredericksburg and Spotsylvania County

I-95 – Building three additional general purpose lanes on I-95 south from north of Exit 133 in Stafford County to just south of Exit 130 in Fredericksburg and Spotsylvania County. All travel lanes remain open; concrete barriers installed along the left shoulder of I-95 in both directions.

Washington County

I-81

- Reconstructing interchange at Exit 14, and improving Old Jonesboro Road beneath interstate. Speed limit through work zone on I-81 reduced to 60 mph.
- Reconstructing two interstate bridges over Halls Bottom Road near Exit 10. Speed limit through work zone reduced to 60 mph.

Wythe County

I-77/I-81 overlap – High traffic volumes could slow or stop vehicles through this eight-mile stretch. Be alert for delays on I-77 north at the I-81 merge due to work to add a merge lane.
