

THANKSGIVING 2018

VDOT will lift most lane closures for holiday travel from noon Wednesday, Nov. 21 until noon Monday, Nov. 26. However, motorists may encounter semi-permanent work zones or travel delays in the following locations:

Alleghany County

I-64

- Installing pavement lane reflectors westbound from mile markers 29-31 on Wednesday, Nov. 21, and from Friday, Nov. 23 to Monday, Nov. 26, 7 a.m – 6 p.m. Alternating mobile lane closures in place.
- Installing pavement lane reflectors eastbound from mile markers 29-36, Wednesday, Nov. 21 and from Friday, Nov. 23 to Monday, Nov. 26, 7 a.m – 6 p.m. Alternating mobile lane closures in place.

Route 311 (Kanawha Trail) – Paving from 1.4 miles north of Route 159 (Dunlap Creek Road) to the West Virginia state line, Wednesday, Nov. 21 and Monday, Nov. 26, 7 a.m to 6 p.m. Alternating lane closures in place.

Route 638 (Natural Well Road) – Road closed for Jackson River. Road closed between 687 (Jackson River Road) and Route 666 (East Morris Hill Road). Detour in place.

Amherst County

Route 29 Business – Replacing median barrier. Lane closures will occur.

Appomattox County

Route 460 Bypass – Recycling current surface and overlaying. Temporary lane closure; concrete barrier in place. Width restriction is 11 feet.

Augusta County

Route 610 – (Howardsville Turnpike) – Improving roadway and intersection. Road closed between Route 912 (Hodge Street) and Campbell Lane. Detour in place for through traffic.

Botetourt County

Route 11 – Replacing two existing bridges on Route 11 over Tinker Creek at Route 838 (Vista Drive) and Route 1039 (Gibson Lane). Lane closures and new traffic pattern in place. Width restriction in place for wide loads.

Route 220 – Making safety improvements between Eagle Rock and Iron Gate. Lane and shoulder closures with flaggers are possible. Speed limit reduced to 45 mph in work zone.

Buckingham County

Route 20 – Widening pavement, installing rumble strips and replacing guardrail. Traffic controlled by flaggers and pilot vehicle. Temporary lane closures possible.

Campbell County

Route 24 – Constructing roundabout at intersection with Route 646. Temporary lane closures possible.

Route 501 at Route 633 – Constructing left and right turn lanes. Temporary lane closures possible.

Chesterfield County/Henrico County

I-295 – Restoring Varina-Enon Bridge over the James River. Left lane closed in both directions.

Henrico County/New Kent County

I-64 – Widening the interstate to three lanes in each direction between Exit 200 in Henrico County to Exit 205 in New Kent County at Bottoms Bridge. All travel lanes open; concrete barriers in place along the shoulder in both directions through work zone. Speed limit reduced to 55 mph in work zone in both directions.

City of Lynchburg

Liberty Mountain Drive – Constructing roundabout. Ramp to Route 460 east closed.

Odd Fellows Road – Completing paving, entrances, and utility work associated with road reconstruction. Temporary lane closures may occur.

Montgomery County

Route 460 Bypass – Constructing new ramp onto Route 460 Bypass. Lane closure on ramp to eastbound business bypass and shoulder closures on the westbound flyover ramp.

City of Newport News/City of Williamsburg

I-64 Widening Project – Widening interstate. Speed limit reduced to 55 mph in work zone in both directions.

Northumberland County

Route 201 – Road closed to through traffic between Knights Run Road and Indian Valley Road for emergency repair following Tropical Storm Michael. Detour in place.

Page County

Route 211 Business (West Main Street, Luray) – Replacing bridge over Hawksbill Creek. Detour in place.

Pittsylvania County

Route 58 – Completing emergency repairs to bridge over Sandy Creek. The eastbound structure is open to one lane of traffic in each direction. Westbound span is still closed.

Pulaski County/Montgomery County

I-81 – Replacing northbound bridge over the New River at the Pulaski/Montgomery County line. Shoulders closed between mile markers 103 and 105. Speed limit reduced to 60 mph in work zone.

Rappahannock County

Route 211/522 – Replacing westbound bridge over the North Fork Thornton River. Traffic restricted to one lane each direction, sharing eastbound bridge through project completion in July 2019.

Rockbridge County

I-64 – Installing pavement lane reflectors westbound from mile markers 57.6 to 50 (excluding mile markers 53.5 to 55.5 at the Maury River Bridge), Wednesday, Nov. 21 and from Friday, Nov. 23 to Monday, Nov. 26, 7 a.m. to 6 p.m. Alternating mobile lane closures in place.

Route 11 Northbound (Lee Highway) – Alternating mobile lane closures. Installation of pavement lane reflectors from just south of the I-81 exit 195 ramp to the end of the divided highway portion of Route 11, November 21 and November 23 to November 26, 7 a.m to 6 p.m.

Rockingham County/Page County

Route 602 – Rehabilitating bridge over South Fork Shenandoah River. Temporary signals control traffic. Width restriction is 10 feet.

Scott County

Route 23 – Replacing northbound bridge over North Fork Holston River in the Wadlow Gap area. Traffic restricted to one lane both directions, sharing the southbound bridge.

Spotsylvania County

I-95 – Improving the Exit 118 (Thornburg) interchange and replacing the I-95 overpass. All travel lanes open; concrete barriers in place along the shoulder northbound and southbound in work zone.

Stafford County

I-95 – Improving interchange at Exit 140 (Courthouse Road). All travel lanes open; concrete barriers in place along the shoulder in both directions through work zone.

Stafford County, City of Fredericksburg and Spotsylvania County

I-95 – Building three additional general purpose lanes on I-95 south from north of Exit 133 in Stafford County to just south of Exit 130 in Fredericksburg and Spotsylvania County. All travel lanes remain open; concrete barriers installed along the left shoulder of I-95 in both directions.

Wythe County

I-77/I-81 overlap – High traffic volumes could slow or stop vehicles through this eight-mile stretch. Be alert for delays on I-77 north at the I-81 merge due to work to add a merge lane.
