

CHRISTMAS/NEW YEAR'S 2018

VDOT will lift most lane closures for holiday travel from noon Monday, Dec. 24 until noon Wednesday, Dec. 26 and again from noon Monday, Dec. 31 until noon Wednesday, Jan. 2, 2019. However, motorists may encounter semi-permanent work zones or travel delays in the following locations:

Botetourt County

Route 11 – Replacing two existing bridges on Route 11 over Tinker Creek at Route 838 (Vista Drive) and Route 1039 (Gibson Lane). Lane closures and new traffic pattern in place. Width restriction in place for wide loads.

Route 220 – Making safety improvements between Eagle Rock and Iron Gate. Lane and shoulder closures with flaggers are possible. Speed limit reduced to 45 mph in work zone.

Campbell County

Route 501 at Route 633 – Constructing left and right turn lanes. Temporary lane closures possible.

Chesterfield County/Henrico County

I-295 – Restoring Varina-Enon Bridge over the James River. Left lanes closed in both directions.

City of Covington

Route 3605 (South Durant Road/West Jackson Street) – Completing roadway and utility improvements. Occasional flagger traffic control between Totten Drive (Frontage Road 203) and South Byrd Avenue.

City of Danville

29 Bypass over Barkers Branch – Making emergency repairs due to storm damage. Changes in traffic pattern likely.

Franklin County

Route 220 – Replacing pipe in the median at the Roanoke County line. Lane closures in both directions; northbound barrier wall in place about eight miles south of Roanoke and 1.7 miles north of Boones Mill.

City of Lynchburg

Liberty Mountain Drive – Constructing roundabout. Ramp to Route 460 east closed.

Odd Fellows Road – Completing paving, entrances, and utility work associated with road reconstruction. Temporary lane closures may occur.

Montgomery County

Route 460 Bypass – Constructing new ramp onto Route 460 Bypass. Lane closure on ramp to eastbound business bypass and shoulder closures on the westbound flyover ramp.

I-81 – Replacing northbound and southbound bridge over Route 8 at Exit 114. Shoulders closed with median barriers in place from mile marker 113 to 114. Speed limit reduced to 60 mph in work zone.

City of Newport News/City of Williamsburg

I-64 Widening Project – Widening interstate. Speed limit reduced to 55 mph in work zone in both directions.

Northumberland County

Route 201 – Completing emergency repairs to damage from Tropical Storm Michael. Road closed to through traffic between Knights Run Road and Indian Valley Road. Detour in place.

Page County

Route 211 Business (West Main Street, Luray) – Replacing bridge over Hawksbill Creek. Detour in place.

Pittsylvania County

Route 58 – Completing emergency repairs to westbound bridge over Sandy Creek. Eastbound bridge is open to one lane of traffic in each direction.

Pulaski County/Montgomery County

I-81 – Replacing northbound bridge over the New River at the Pulaski/Montgomery County line. Shoulders closed between mile markers 103 and 105. Speed limit reduced to 60 mph in work zone.

Rappahannock County

Route 211/522 – Replacing westbound bridge over the North Fork Thornton River. Traffic restricted to one lane each direction, sharing eastbound bridge.

Rockingham/Page County

Route 602 – Rehabilitating bridge over South Fork Shenandoah River. Temporary signals control traffic. Width restriction is 10 feet.

Scott County

Route 23 – Replacing northbound bridge over North Fork Holston River in the Wadlow Gap area. Traffic restricted to one lane both directions, sharing the southbound bridge.

Spotsylvania County

I-95 – Improving the Exit 118 (Thornburg) interchange and replacing the I-95 overpass. All travel lanes open; concrete barriers in place along the shoulder in both directions through work zone.

Stafford County

I-95 – Improving interchange at Exit 140 (Courthouse Road). All travel lanes open; concrete barriers in place along the shoulder in both directions through work zone.

Stafford County, City of Fredericksburg and Spotsylvania County

I-95 – Building three additional general purpose lanes south from north of Exit 133 in Stafford County to just south of Exit 130 in Fredericksburg and Spotsylvania County. All travel lanes remain open; concrete barriers installed along the left shoulder in both directions.

Wythe County

I-77/I-81 overlap – High traffic volumes could slow or stop vehicles through this eight-mile stretch. Be alert for delays on I-77 north at the I-81 merge due to work to add a merge lane.
