

EASTER 2022

VDOT will lift most lane closures for holiday travel for Easter from noon on Friday, April 15, until noon on Tuesday, April 19. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Hampton Roads District in the following locations:

City of Newport News

Route 173 (Denbigh Boulevard) – Bridge replacement over I-64 between Jefferson Avenue and Warwick Boulevard. Bridge traffic reduced to one lane in each direction. Access to and from Denbigh Boulevard at Richneck Road closed. Shoulders closed with concrete barriers in place on I-64 in both directions at overpass. Long-term lane shift in place on I-64 west at overpass with concrete barriers.

City of Norfolk/City of Hampton

I-64 (East and west from Settlers Landing Road to I-564) – Roadway widening. All travel lanes open. Concrete barriers in place along the shoulder.

- W. Evans Street from Executive Drive to Granby Street closed in both directions. Detour in place.
- Mallory Street Bridge over I-64 – The lane capacity has been reduced to one lane in each direction.
- Mason Creek Road under the I-64 overpass closed in both directions. Detour in place.

City of Chesapeake

I-64 – Widening interstate between I-264/Bowers Hill and Battlefield Boulevard. Speed limit reduced to 55 mph in both directions through the work zone.

City of Norfolk/City of Virginia Beach

I-64/I-264 Interchange – Roadway widening and interchange improvements on I-264 between Newtown Road (exit 15) and Witchduck Road (exit 16). New traffic pattern in place with the opening of a new off-ramp from I-264 east to northbound Newtown Road (exit 15b).

City of Virginia Beach

Laskin Road – Road reconstruction and bridge replacement from Republic Road to Red Robin Road. Speed limit reduced to 35 mph in both directions throughout the work zone. Portion of Fremac Drive closed to traffic. Signed detour in place.

James City County

Route 612 (Longhill Road) – Widening Longhill Road from east of Williamsburg West Drive to Glenburnie Road. Speed limit reduced to 35 mph in both directions through the work zone.

Route 199 – Wall rehabilitation. Daytime single-lane closures on Route 199 east (Humelsine Parkway) between Colonial Parkway and Mounts Bay Road from 9 a.m. and 3 p.m., with long-term stationary right shoulder closure in place.

Route 143 – Single-lane closure on Route 143 (Merrimac Trail) east near Route 238 (Yorktown Road).

Southampton County

Route 189 (South Quay Road) – Bridge replacement. Route 189 closed in both directions between Route 58 and Route 714 with a signed detour in place.

Route 671 (General Thomas Highway) – Bridge replacement. Route 671 closed between Shady Brook Trail and Handsom Road with a signed detour in place.

Isle of Wight County

Route 460 – Bridge Replacement. Route 460 east closed between Zuni Circle and Tucker Swamp Road (Route 635). East- and westbound traffic shifted to the westbound lanes. Barriers and markers used to delineate lanes. Wide loads exceeding 10 feet 6 inches advised to use alternate routes.

Route 638 (Mill Creek Drive) – Bridge Replacement. Route 638 will be closed to through traffic in both directions between Route 645 (Yellow Hammer Road) and Mill Creek Trail with a signed detour in place.

Route 690 (Ennis Mill Road) – Bridge Replacement. Route 690 closed in both directions to through traffic between Route 460 (Windsor Boulevard/Pruden Boulevard) and Route 606 (Five Forks Road) with a signed detour in place.

Additional Information
