Find out about plans to extend Frontier Drive (Route 2677) from Franconia-Springfield Parkway (Route 289) to Loisdale Road (Route 789). The project includes building a four-lane divided roadway with a shared-use path and sidewalk. Other improvements include adding new ramps and reconstructing existing ramps at the Franconia-Springfield Parkway and Frontier Drive/Franconia-Springfield Metro station interchanges. The project will further reconfigure sections of the Metro station circulatory road and parking garage entrances, but all existing access points will be maintained.

The meeting will be held as a **virtual/online meeting**. Information for accessing and participating in the virtual meeting is available at **www.virginiadot.org/FrontierDrive**. The project team will make a short presentation beginning at 7 p.m. and answer questions for about an hour after the presentation.
