**Find out** about a proposed project to install two lanes for eastbound Route 620 (Harrison Road) traffic traveling straight through the Route 639 (Salem Church Road) intersection in Spotsylvania County. East of the Salem Church Road intersection, Harrison Road would be slightly widened to accommodate two travel lanes to receive through traffic. The existing traffic signal equipment at the intersection would be replaced. East of the Salem Church Road intersection, sidewalk would be added along the south side of Harrison Road where it does not currently exist. Pedestrian crosswalks and pedestrian crossing signal equipment would be added at each intersection approach.

A 10-foot-wide shared use path would be built along the north side of Harrison Road west of the intersection. A 10-foot-wide shared use path would be added along southbound Salem Church Road, along the west side of the road, between the former trailhead to the Virginia Central Railway Trail and Harrison Road.

**Stop by** between 5-7 p.m. to review proposed project plans and materials, ask questions, and offer comment. VDOT representatives will be present to answer questions about the project in an open house format between 5-7 p.m.

**Review** the proposed project plans and the National Environmental Policy Act documentation in the form of a Programmatic Categorical Exclusion on the project website listed above, at the public hearing, or at VDOT's Fredericksburg District Office located at 87 Deacon Road, Fredericksburg, VA 22405, 540-899-4288, or VDOT's Fredericksburg Residency Office located at 86 Deacon Road, Fredericksburg, VA 22405, 540-899-4300, or TTY/TDD 711. Please call ahead to ensure the availability of personnel to answer your questions. Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above addresses and will be available at the public hearing.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register for Historic Places will be provided in the project's environmental documentation.

Pursuant to 23 CFR 774, the Virginia Department of Transportation (VDOT) on behalf of the Federal Highway Administration (FHWA) intends to make a Section 4(f) de minimis impact finding related to the proposed right of way acquisition of approximately 0.71 acres from the Harrison Road Convenience Center Park. Information relating to this finding is available within the National Environmental Policy Act documentation at the project website listed above or at the VDOT Fredericksburg District Office.

**Give your comments** at the hearing or submit them by **June 26, 2023**, to Ms. Anastasia Kapitan, VDOT Project Manager, 87 Deacon Road, Fredericksburg, VA 22405. Comments may also be submitted through an online comment form at the project website listed above or emailed to [fred.comments@vdot.virginia.gov](mailto:fred.comments@vdot.virginia.gov).
