TRAFFIC IMPACTS ANTICIPATED DURING JAMESTOWN COMMEMORATION EVENTS

JAMES CITY COUNTY– Due to events associated with the 2019 Commemoration scheduled to be held in Jamestown this week, the Virginia Department of Transportation (VDOT) encourages motorists to prepare for increased traffic, delays and interruptions in service along Interstate 64, the Jamestown-Scotland Ferry system and other roadways adjacent to the event locations.

Jamestown-Scotland Ferry service will be suspended Tuesday, July 30, from 10 a.m. to 1 p.m.

The last run from Scotland will be at 9 a.m. and the last run from Jamestown will be at 9:30 a.m. -- times are subject to change.

More information is available from event organizers here: bit.ly/2ykn6J8

For ferry traffic updates and operational status, motorists should call 1-800-VA-FERRY (1-800-823-3779).

Motorists are advised to use VDOT's free traffic information tools to plan their travel and check for any delays or closures in the area. Real-time traffic information is available through the Virginia 511 traffic system accessed by:

- [Downloading](#) the 511VA smartphone app, or 511-integrated Waze app.
- Visiting the [511 Virginia](#) website or dialing 511 for traffic information on your phone.
- Following [@511hamptonroads](#) and [@VaDOTHR](#) on Twitter.
