

PWDM – Accessing the Project Portal (Connect Center)

To access the Project Portal, you will need to login to the Connection Client using your Bentley IMS account.

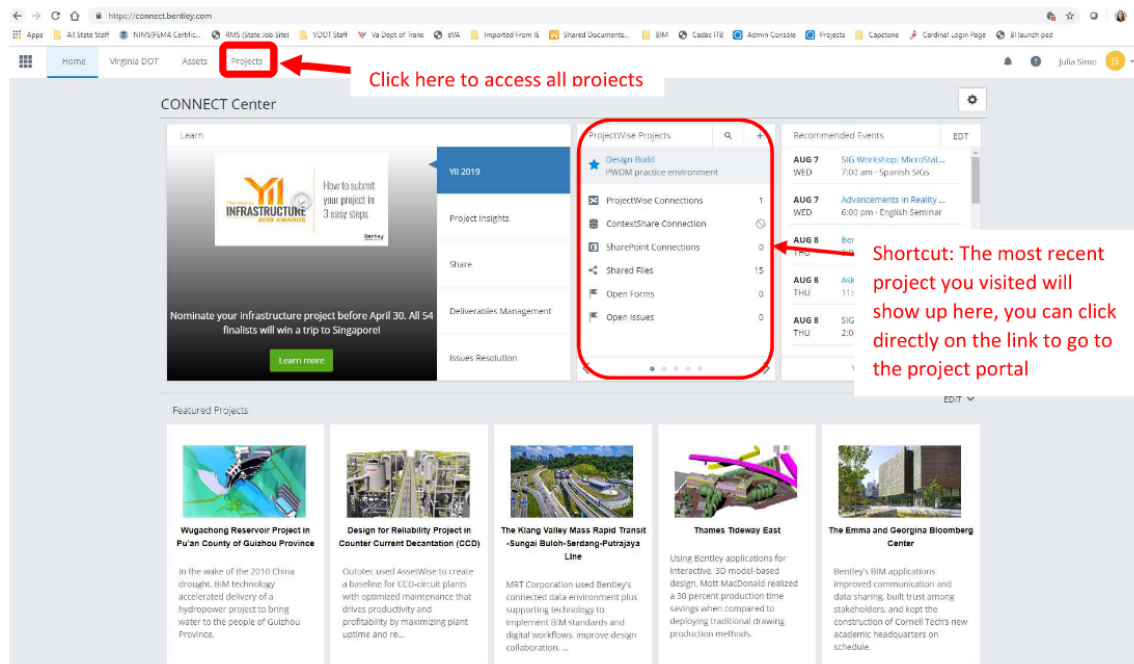

You can also go to <http://connect.bentley.com>

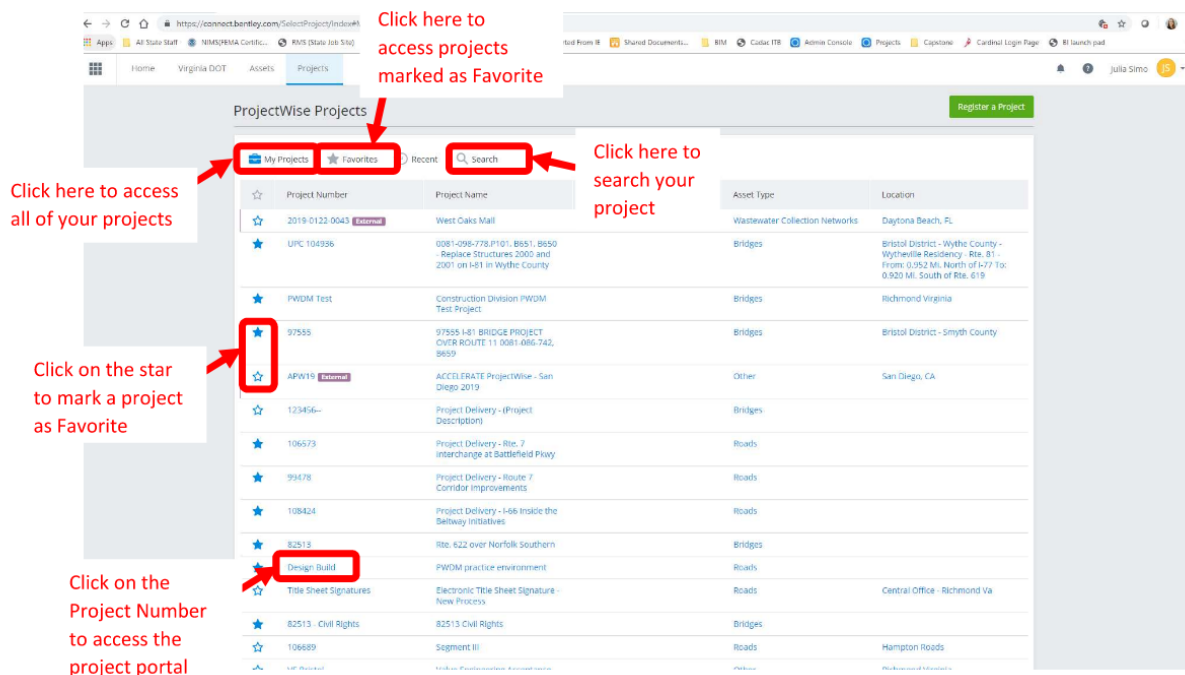

- VDOT Users – Your IMS account is the same as your VDOT COV Domain account.
 - VDOT accounts are federated which enables Single Sign on.
 - Type in your email address and press enter – you will not be required to enter in a password
- Consultants/Contractors – Once you create a Bentley IMS account (using your company email) you will use your company email to log in

Once you access the Project Portal you will be able to navigate to where you need to go

Step 4. Once you access the Project Portal you will be able to navigate to where you need:

The screenshot shows the Project Portal interface for a project named "PWDM practice environment". The browser address bar shows the URL: <https://connectcenter.com/project/index/projectId=bc422831-7108-4f11-9d08-96403989550>. The page title is "ProjectWise PWDM practice environment".

Annotations include:

- A red box highlights the "Design Build PWDM practice environment" tab in the top navigation bar, with a red arrow pointing to it and the text: "This tab shows you what project you are on".
- A red box highlights the "Share" and "Deliverables Management" icons in the "ProjectWise 365 Services" section, with a red arrow pointing to them and the text: "The Share Portal is an area to collaborate and to access the final and approved documents".
- A red box highlights the "Deliverables Management" icon, with a red arrow pointing to it and the text: "The Deliverables Management Portal is for official project submittals".

The interface includes sections for "Project Details", "Team Members", "Notifications", and "Optioneering Services".
