

*Thank You!*

Dear

Thank you for ensuring the safety of our students on their way to and from school. Because of your service, children are able to get more physical activity, socialize with their friends, feel a sense of independence, and spend time outside.

Many parents would be reluctant to allow their children to walk or bike to and from school if it were not for your reliable and outstanding service. You give peace of mind to parents, students, and school staff. Thank you for being such a valuable community resource.

Rain or shine, thank you for being at our school everyday! I am so thankful that you are our crossing guard.

Sincerely,
