

**Frontier Drive Extension
Fairfax County**

Virtual Public Information Meeting

**Monday, May 17, 2021, 7 p.m.
www.virginiadot.org/FrontierDrive**

Find out about plans to extend Frontier Drive (Route 2677) from its southern terminus at Franconia-Springfield Parkway (Route 289) to Loisdale Road (Route 789) to relieve congestion and improve access to the Franconia-Springfield Metro station, the Springfield Mall and Town Center area, the General Services Administration (GSA) complex and the new Transportation Security Administration (TSA) building on Springfield Center Drive. The project will include a four-lane divided roadway (combination of new construction and improvements to existing Springfield Center Drive) with a shared-use path on one side and sidewalk on the other. The project will also include new braided ramps at the Frontier Drive/Franconia-Springfield Parkway interchange, a new intersection at Metro Access Road with Frontier Drive, reconfigured sections of the Metro station circulatory road and access to parking garage entrances, but all existing access points will be maintained.

The meeting will be held as a **virtual/online meeting**. Information for accessing and participating in the virtual meeting is available at **www.virginiadot.org/FrontierDrive**. The project team will make a short presentation beginning at 7 p.m. and answer questions for about an hour after the presentation.
