**Find out** about planned improvements along Post Forest Drive from West Ox Road to Random Hills Road, and along Random Hills Road from Post Forest Drive to Monument Drive to improve bicyclist and pedestrian safety, accessibility and connectivity to the I-66 bicycle/pedestrian network. The sidewalk along the south side of Post Forest Drive will be upgraded to a ten-foot-wide shared-use path from just west of Black Ironwood Drive to Random Hills Road. In order to accommodate the ten-foot-wide shared-use path, Post Forest Drive will be restriped without bicycle lanes, and curb and gutter will be modified as needed. The existing sidewalk along the east side of Random Hills Road will be upgraded to a ten-foot-wide shared-use path from Post Forest Drive to the existing shared-use path just beyond the Monument Drive overpass. The project also includes pedestrian improvements at the West Ox Road/Post Forest Drive and Post Forest Drive/Random Hills Road intersections.

The public hearing will be held as a **virtual/online meeting**. Information for accessing and participating in the virtual meeting is available at **<https://www.virginiadot.org/PostForest>**. The project team will make a short presentation beginning at 7 p.m. and answer questions for about an hour after the presentation.
