Find out about a STARS (Strategically Targeted Affordable Roadway Solutions) study assessing potential operational improvements for two miles of Centreville Road (Route 28) between Blooms Quarry Lane and the Fairfax County line. The concepts being studied include roundabouts, overpasses, improved traffic signal timing/operations, turn lane improvements, access management and pedestrian enhancements.

Stop by between 6 p.m. and 8 p.m. to view displays and learn more about the project. A presentation will begin at 6:30 p.m. Project staff will be available to answer your questions.

Review project information at the VDOT project website (www.virginiadot.org/centrevilleroadstudy), at the information meeting, or during business hours at VDOT's Northern Virginia District Office, 4975 Alliance Drive, Fairfax, VA 22030. Please call Robert Iosco, Special Projects, in advance at 703-259-2764 or TTY/TDD 711 to ensure appropriate personnel are available to answer your questions.

As part of this study, we request your input by taking an online survey. The survey will be open for responses beginning September 23, 2019 and can be accessed on the study webpage (www.virginiadot.org/centrevilleroadstudy). You may also give comments at the meeting or submit them by **October 7, 2019** to Mr. Terrell Hughes, P.E., Virginia Department of Transportation, 1401 East Broad Street, Richmond, VA 23219.
