

CHRISTMAS/NEW YEAR'S 2021/2022

VDOT will lift most lane closures for holiday travel for Christmas from noon Thursday, Dec. 23 until noon Monday, Dec. 27 and for New Year's Day from noon Thursday, Dec. 30 until noon Monday, Jan. 3, 2022. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Hampton Roads District in the following locations:

City of Chesapeake

I-64 – Widening interstate between I-264/Bowers Hill and Battlefield Boulevard. Speed limit reduced to 55 mph in both directions through the work zone.

Isle of Wight County

Route 690 – Bridge replacement. Route 690 (Ennis Mill Road) closed in both directions to through traffic between Route 460 (Windsor Boulevard/Pruden Boulevard) and Route 606 (Five Forks Road) with a signed detour in place.

James City County

Route 612 (Longhill Road) – Widening Longhill Road from east of Williamsburg West Drive to Glenburnie Road. Speed limit reduced to 35 mph in both directions through the work zone.

City of Newport News

Route 173 (Denbigh Boulevard) over I-64 Bridge – Bridge replacement. Bridge traffic on Denbigh Boulevard reduced to one lane in each direction. Access to Denbigh Boulevard from Richneck Road closed. Shoulders closed with concrete barriers in place on I-64 in both directions at the Denbigh Boulevard overpass. Long-term lane shift in place on I-64 west at the Denbigh Boulevard overpass with concrete barriers in place.

City of Norfolk/City of Hampton

HRBT Expansion Project (I-64 east and west from Settlers Landing Road to I-564) – Roadway widening. All travel lanes open. Concrete barriers in place along the shoulder throughout the work zone.

- W. Evans Street from Executive Drive to Granby Street closed in both directions to allow crews to work to widen the I-64 overpass. A detour will be in place.

- Mallory Street Bridge over I-64 – The lane capacity has been reduced to one lane in each direction. The lane reduction will allow crews to work to widen the bridge.

City of Norfolk/City of Virginia Beach

I-64/I-264 Interchange – Roadway widening and interchange improvements on I-264 between Newtown Road (exit 15) and Witchduck Road (exit 16).

- Shift to the left of the flyover from I-64 west to mainline I-264 east (inside set) at the bridge over Kempsville road, reducing mainline I-264 east by one lane in this location.
- Ongoing, single-lane closure on the I-264 east collector-distributor road (outside set) at Newtown Road (exit 15).

Southampton County

Route 189 – Bridge replacement. Route 189 (South Quay Road) is closed in both directions between Route 58 and Route 714 with a signed detour in place.

City of Virginia Beach

Laskin Road – Road reconstruction and bridge replacement. Portion of Fremac Drive closed to traffic. Signed detour in place.

Additional Information
